

# Chocolate-Coated TABLETS.

One Hundred and Fifty-four of the most popular,  
Staple and Quick-selling Formulas Added to our  
List—A True Chocolate Coating—Beautifully  
Finished, Neatly Soluble, and Strictly  
Faithful to Label.

The line of chocolate-coated tablets recently added to our  
price list, and now awaiting the orders of the profession, comprises  
a carefully selected list of standard formulas. In point of  
external finish the new line challenges comparison with the  
most beautiful products of American and foreign factories.  
At a glance the physician will be struck with the thin coating  
and small size, the latter being reduced to the last limits con-  
sistent with good pharmacy.

The quality of these products is in every respect as un-  
exceptionable as that of our regular lines of compressed and  
triturate tablets. The ingredients are of the finest material;  
the excipients carefully chosen; the solubility as nearly perfect  
as the formula will permit.

Our line of chocolate-coated tablets comprises many ill-  
tasting and malodorous substances which are now perfectly dis-  
guised by the chocolate investment.

The new tablets cannot fail to meet with the admiration of  
all who give due weight to pure materials, conscientious manu-  
facture, and exquisite finish. Samples and price list furnished  
on request.
