PLANTAGENET WATER.

The proprietor of the Plantagenet Springs Water has received the following Testimonials. The efficacy of the Plantagenet Water is now an established fact.—

Montreal, March 22, 1850.

Since August, 1848, I have recommended the Plantagenet Waters in a variety of Chronic complaints, and with good effect. It has proved very useful in Dyspepsia, Rheumatism, and Scrofula. Weakly and nervous persons, and those in whom there was an increased action of the bowels and kidneys, took but half a tumbler at a time, repeated every-hour or two. When possessed of more strength, and there existed a tardy state of the secretions, the water was more copiously partaken of; and in cases of Plathora, where a disposition to congestion predominated, with a tendency to fever and irritation, it was taken to the extent of several pints a day.

It would be a most happy circumstance if "Mineral Waters" generally, were to supersede, and be substituted for, the thousands of vile and pernicious compounds, under the style of Patent Medicines, with which a certain class of the community gorge themselves, to their manifest injury, and to the advantage, solely, of the unscrupulous manufacturers.

CANCHALAGUA;

FOR THE COMPLETE CURE OF Coughs, Colds, Influenza, Asthma, Bronchitis, spitting of Blood, and all other Lung Complaints tending to CONSUMPTION.

DR. RODGERS' SYRUP OF LIVERWORT, TAR, AND CANCHALAGUA.—This Syrup contains no Calomel, or any mineral whatever, but is composed entirely of those roots, herbs, and vegetables, which have a specific influence upon the Lungs, and their affiliated organs. Its IMMEDIATE effect is to allay all irritation and gently remove the Phlegm and other morbid secretions from the Throat and Bronchial Tubes, thus effectually relieving the Cough. It also stimulates and imparts a healthy tone to the Lungs themselves, thereby enabling them more thoroughly to remove from the blood those impurities, and diseased particles, which, if retained, do so much mischief in the system, and lay the foundation for incurable CONSUMPTION. It also exerts a decided action upon the skin, and assists nature in expelling, through the exhalants, much of that morbid matter which would otherwise be thrown back upon the Lungs. When Tubercles are forming, it checks their further development and progress; or if ulceration has taken place, it assists the Lungs in throwing off the corrupted matter, soothes the irritation, heals the diseased cavities, and restores the Lungs again to healthy action. This medicine therefore is not a palliative merely, but a thorough curative, as it strikes at the very root of the disease, and by removing this, removes at once all its remote and attendant consequences. This is its distinguishing characteristic—a property possessed by no other medicine of like nature, now before the public.

PRICE.—In large bottles, \$1, or 6 bottles for \$5. For sale by S. F. URQUHART, sole Agent for Canada, 69, Yonge-street, Toronto.

DOCTOR FOWLER, SURGEON DENTIST,

HAS the honor of announcing his arrival, in Toronto, with the intention of establishing himself in the City as a SURGEON DENTIST.

Dr. F. feels confident that from many years' study under some of the most celebrated Surgeon Dentists in England and Scotland, and from a subsequent professional practice of Twelve Years in Britain, he will be able to give ample satisfaction to all who may honor him with their confidence.

Doctor F. has for the present rented the premises No. 40, King Street, West, adjoining the Cabinet Warehouse of Messrs. Jacques & Hay, where he will be found at all hours of the day, devoting himself exclusively to the several branches of Dental Surgery. Toronto, July 22, 1850. 27.12m.

THE Subscriber begs to inform his friends and the public generally, that having at a considerable expense entered into arrangements with various Agents in Great Britain, for the purpose of furnishing intending emigrants with the best information of Private Lands, both Cleared or otherwise, that he may have to Sell or Lease, he trusts to receive that support and encouragement which the undertaking deserves, by parties possessing Lands for disposal, sending the same to him with the necessary authority, as a published monthly list will be sent to his Correspondents, by which means our Emigrating Countrymen will receive that knowledge they so much require, viz.—How and in what manner they can invest their capital the instant they arrive here. As at present, very little is known of the true capabilities of Canada by a large majority of the British public, the Subscriber confidently hopes that correct accounts forwarded monthly, in the proper quarters, will eventually bring many to our shores who otherwise would have gone elsewhere.

For the Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA and CONSUMPTION.

IN offering to the community this justly celebrated remedy for diseases of the throat and lungs, it is not our wish to trifle with the lives or health of the afflicted, but frankly to lay before them the opinions of distinguished men and some of the evidences of its success from which they can judge for themselves. We sincerely pledge ourselves to make no wild assertions or false statements of its efficacy, nor will we hold out any hope to suffering humanity which facts will not warrant.

"I deem the CHERRY PECTORAL an admirable composition from some of the best articles in the Materia Medica, and a very effective remedy for the class of disease it is intended to cure."

New Haven, Ct., Nov. 1, 1849.

PROF. CLEVELAND, of Bowdoin College, Maine, writes—"I have witnessed the effects of your CHERRY PECTORAL," in my own family and that of my friends, and it gives me satisfaction to state in its favor that no medicine I have ever known has proved so eminently successful in curing diseases of the throat and lungs.

HEAR THE PATIENT. Dr. Ayer—Dear Sir:—For two years I was afflicted with a very severe cough, accompanied by spitting of blood and prostrate night sweats. By the advice of my attending physician I was induced to use your CHERRY PECTORAL, and I continued to do so till I considered myself cured, and ascribe the effect to your preparation.

JAMES RANDALL, Hampden ss. Springfield, Nov. 27, 1849.

This day appeared the above named James Randall and pronounced the above statement true in every respect. LORENZO NORTON, Justice.

THE REMEDY THAT CURES.

Dr. Ayer:—I have been long afflicted with Asthma which grew yearly worse, until last autumn, it brought on a cough which confined me in my chamber, and began to assume the alarming symptoms of consumption. Gratefully yours, J. D. PHELPS. If there is any value in the judgment of the wise, who speak from experience, here is a medicine worthy of the public confidence.

PROFESSOR A. C. BARRY'S

Tricopherous or Medicated Compound

The facts in relation to this article speak for themselves. It has been ten years before the world with a constant increasing sale. It is used throughout the Union, as the best preparation for removing scurf, dandruff, and all diseases of scalp; and also for darkening, glossing, strengthening and promoting the growth of the hair. It is recommended by eminent medical men, to be used with gentle friction, in cases of rheumatism, swelling of the glands, tumors, eruptions and external inflammation. It is kept in the house of the farmer and in the rude hut of the frontiersman, as well as in the residences of our city merchants and mechanics, as the application for cuts, bruises, sprains, burns, and the stings and the bites of insects.

For those incrustations which so frequently disfigure the heads of infants, every mother who has used it knows it to be an infallible remedy, and no adult in the habit of applying the preparation according to the directions—the roots of the hair—ever experience the loss of the invaluable ornament. The little book which accompanies each bottle of the Tricopherous, gives a list of the medical men by whom it is recommended, and a large number of family certificates and other testimonials forwarded to Prof. Barry from all parts of the Union commencing scores of specific instances of its wonderful effects. Lastly, it is the cheapest as well as the only reliable preparation for the hair and skin now before the public. Sold in large bottles, price 25 cents, at the Principal Office, 137 Broadway, New York. For sale by the principal Merchants Druggist throughout the United States and Canada. Beware of the counterfeiters sold at one dollar per bottle. For sale by WILLIAM BAILEY Toronto Canada.
