Aromatic

Montserrat.

A WINTER BEVERAGE.

MONTSERRAT RASPBERRY CORDIAL!

These are elegant Cordials prepared with MONTSERRAT LIME FRUIT JUICE, and flavored as indicated with aromatics and pure FRUIT JUICE. They form most agreeable beverages, either diluted with water or alone, and especially with aerated waters, and are guaranteed free from alcohol.

N. B.—The GOLD MEDAL of the ADELAIDE EXHIBITION has just been awarded to the MONTSERRAT LIME FRUIT JUICE AND CORDIALS; in regard to which, the *Liverpool Journal of Commerce*, September 26, says:—"The sole consignees, Messrs. Evans & Co., are to be congratulated upon this result, whose enterprise in placing this before the public has met with such success, as witnessed by the fact that in the course of a few days 60,000 gallons of Lime Fruit Juice were imported by them into Liverpool alone."

Montserrat Saline Effervescent Salt.

This Preparation has all the properties of a cooling and purifying Saline. It is an elegant Pharmaceutical preparation, and at the same time a pure mixture of Acids and Salts, whilst, from its effervescence, it will be found to produce a certain and beneficial result.

DIRECTIONS FOR USE.—A teaspoonful, in a tumbler of water, forms a mild aperient, and an anti-fever draught. A small teaspoonful in a wine glass of water is a palatable, cooling, and purifying draught. This latter dose taken before dinner is often likely to give an invigorating tone to the system.

H. SUGDEN EVANS & CO., Sole Proprietors, Montreal.

Obtainable of all Chemists. 50 cents per bottle.

ANOTHER GREAT VICTORY

— FOR —

EAGAR'S Phospholeine

Below is another certificate from a grateful patient who has been rescued from that dread disease,

CONSUMPTION.

M. F. EAGAR, ESQ.:
DEAR SIR,—My wife, Laura A. Finson, was taken ill early this year, and suffered severely with a bad cough, accompanied by expectoration of mucus containing blood, and great weakness of the chest, general prostration and clammy night sweats, and continued to grow worse until I was recommended to procure for her some bottles of your Phospholeine and Wine of Rennet. This I did, and after using about five bottles of the Phospholeine, taking a teaspoonful at a time in a wineglass of milk, increased afterwards to a tablespoonful, and shortly after each dose a teaspoonful of your Wine of Rennet, she became thoroughly well, her improvement commenced after the first half bottle had been taken. She can now superintend her household duties without inconvenience, eats and sleeps well, and every symptom of consumption has banished. I have to thank your medicine for her restoration to health.

WALTER R. FINSON, Vancleboro', Maine, U.S.

The statement of facts contained in the above certificate is in all respects accurate. I feel assured that I owe my cure to your medicines.

LAURA A. FINSON.

September, 1882.
