THE PERFUME

WESTERN HEMISPHERE! FRESH FROM LIVING FLOWERS.

MURRAY & LANMAN'S

FLORIDA WATER.

THIS rare Perfume is prepared from tropical flowers of surpassing fragrance, without any admixture of coarse essential oils, which form the staple of many "Essences" and Extracts for the Toilet. Its aroma is almost inexhaustible, and as fresh and delicate as the breath of Living Flowers. WHAT ARE ITS ANTECEDENTS? .

For twenty years it has maintained its ascendancy over all other perfumes, throughout the West Indies Cubs and South America, and we earnestly recommend it to the inhabitants of this country as an article which for softness and delicacy of flavor has no equal. During the warm summer months it is peculiarly appreciated for its refreshing influence on the skin and used in the bath it gives buoyancy and strength to the exhausted body, which at those pe-riods is particularly desirable.

HEADACHE AND FAINTNESS Are certain to be removed by freely bathing the tem-ples with it. As an odor for the handkerchief, it is as delicious as the Otto of Roses. It lends freshness

and transparency to the complexion, and removes
RASHES, TAN AND BLOTCHES from the skin.

COUNTERFRITS. Beware of imitations. Look for the name of MUR-RAY & LANMAN on the bottle, wrapper and orna-

mented label. Devine & Bolton, Druggists, (next the Court House, Montreal, General Agents for Canada. Also, Sold at Wholesale by J. F. Henry & Co., Montreal.
