WHAT IS YOUR AILMENT?—A hundred varieties of disease may be traced to the stomach. For each and all of them, common sense suggests that the medicine which restores that organ to its full vigor, is the true remedy. If common sense demands what that remedy is, experience answers, BRISTOL'S SUGAR-COATED PILLS. Cathartics are plenty, but nine-tenths of those give only temporary relief and many are dangerous. It is better to let dyspepsia have its way, than to attempt its cure with mercury. The so-called remedy will destroy the patient, more rapidly than the disease. Not so BRISTOL'S SUGAR-COATED PILLS, which owe their efficacy solely to vegetable extracts. If the liver is wrong, they put it right; if the bowels are clogged with obstructions, they remove them; the stomach is incapable of perfect digestion, they are part of it; they give tone and vivacity. They are put up in glass vials, and will keep in any climate. In all cases arising from or aggravated by impure blood, BRISTOL'S SARPAPILLA should be used in connection with the Pills.

N. H. DOWNS' VEGETABLE BALSAMIC ELIXIR.

A CERTIFICATE WORTH A MILLION. An Old Physician's Testimony. READ: Waterbury, Vt. Nov. 24, 1858. Although I do not like the practice of Physicians recommending, indiscriminately, the patent medicines of the day, yet after a trial of ten years, I am free to admit that there is one medicine before the public that any Physician can use in his practice, and recommend to the public with perfect confidence; that medicine is Rev. N. Downs' Vegetable Balsamic Elixir. I have used it myself with the very best success, and now when I feel a cold, or a cough, or all diseases tending to Consumption, and to the Profession as a reliable article. I am satisfied of its excellence beyond a doubt, having conversed personally with the Rev. N. H. Downs about it. He informed me of the principal ingredients of which the Elixir is composed, all of which are Purely Vegetable and perfectly safe. J. B. WOODWARD, M.D. (Now Brigade Surgeon U. S. Army.)

WISTAR'S BALSAM

WILD CHERRY HALF A CENTURY. Has been used for nearly HALF A CENTURY. With the most astonishing success in Curing Coughs, Colde, Hoarseness, Sore Throat, Influenza, Whooping Cough, Croup, Liver Complaint, Bronchitis, Difficulty of Breathing, Asthma, and every affection of THE THROAT, LUNGS AND CHEST, Including even CONSUMPTION.

There is scarcely one individual in the community who wholly escapes, during a season, from some one, however slightly developed, of the above symptoms—a neglect of which might lead to the last named, and most to be dreaded disease in the whole catalogue. The power of the "medicinal gum" of the Wild Cherry Tree over this class of complaints is well known; so great is the good it has performed, and so great the popularity it has acquired. In this preparation, besides the virtues of the Cherry, there are commingled with it other ingredients of like value, thus increasing its value ten fold, and forming a Remedy whose power to soothe, to heal, to relieve, and to cure disease, exists in no other medicine yet discovered. This popular medicine is no longer an experiment. Thousands of people who have used it, bear witness to its superior excellence as a Linctus and a Pain-Killer. Full directions accompany each bottle. It may be used for RHEUMATISM, NEURALGIA, TOOTH-ACHE, HEADACHE, BURNS, SCALDS, BRUISES and SWELLINGS, SORE THROAT, LUMBAGO, &c., &c. and may be used internally for CHOLIC and COLDS, CHOLERA MORBUS, BOWEL COMPLAINTS, DIARRHŒA, WIND COLIC, &c., &c. Much might be said of its remedial properties and magical effects, but the limited space of this Advertisement will only admit of a general summary. It is prepared with care; great pains being taken to allot an exact proportion of each of its ingredients, in such a manner that the combination shall be, in every respect, as effective as in its operation, and more effectual than any other similar medicine. A Single Teaspoonful taken in warm water or otherwise as the taste may dictate, checks Diarrhœa, Cholera and all Bowel Complaints, within a most incredible short space of time. Your obedient servant, L. J. RACINE. CURE FOR WHOOPING COUGH. St. Hyacinthe, C.E., Aug. 21, 1856. Messrs. Seth W. Fowle & Co., Gentlemen—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of your Dr. Wistar's Balsam of Wild Cherry. In three days after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure. You are at liberty to make any use of the above you think proper. If it shall induce any body to use your Balsam I shall be glad, for I have great confidence in it.—Yours, P. QUITTE. Proprietor of the Courier de St. Hyacinthe. CERTIFICATE FROM A WELL-KNOWN CITIZEN OF CORNWALL. Cornwall, O.W., Dec. 29, 1859. Messrs. S. W. Fowle & Co., Boston—Gentlemen—Having experienced the beneficial results of Dr. Wistar's Balsam of Wild Cherry, in my own person and with other members of my family, in cases of severe coughs and colds, I unhesitatingly give you my testimony, believing it to be the remedy par excellence for all diseases of the throat and chest, and would sincerely recommend it as such.—Yours, &c., JOS. TANNER. FROM A HIGHLY RESPECTED MERCHANT AT PRESQOTT, O.W. I with pleasure assert that Dr. Wistar's Balsam of Wild Cherry, is, in my belief, the best remedy before the public for coughs and pulmonary complaints. Having tested the article with myself and family, in cases of severe coughs and colds, for years, with uniform and unexceptionable success, I unhesitatingly recommend it with full confidence in its merits. WISTAR'S BALSAM

WILD CHERRY HALF A CENTURY. Has been used for nearly HALF A CENTURY. With the most astonishing success in Curing Coughs, Colde, Hoarseness, Sore Throat, Influenza, Whooping Cough, Croup, Liver Complaint, Bronchitis, Difficulty of Breathing, Asthma, and every affection of THE THROAT, LUNGS AND CHEST, Including even CONSUMPTION.

There is scarcely one individual in the community who wholly escapes, during a season, from some one, however slightly developed, of the above symptoms—a neglect of which might lead to the last named, and most to be dreaded disease in the whole catalogue. The power of the "medicinal gum" of the Wild Cherry Tree over this class of complaints is well known; so great is the good it has performed, and so great the popularity it has acquired. In this preparation, besides the virtues of the Cherry, there are commingled with it other ingredients of like value, thus increasing its value ten fold, and forming a Remedy whose power to soothe, to heal, to relieve, and to cure disease, exists in no other medicine yet discovered. This popular medicine is no longer an experiment. Thousands of people who have used it, bear witness to its superior excellence as a Linctus and a Pain-Killer. Full directions accompany each bottle. It may be used for RHEUMATISM, NEURALGIA, TOOTH-ACHE, HEADACHE, BURNS, SCALDS, BRUISES and SWELLINGS, SORE THROAT, LUMBAGO, &c., &c. and may be used internally for CHOLIC and COLDS, CHOLERA MORBUS, BOWEL COMPLAINTS, DIARRHŒA, WIND COLIC, &c., &c. Much might be said of its remedial properties and magical effects, but the limited space of this Advertisement will only admit of a general summary. It is prepared with care; great pains being taken to allot an exact proportion of each of its ingredients, in such a manner that the combination shall be, in every respect, as effective as in its operation, and more effectual than any other similar medicine. A Single Teaspoonful taken in warm water or otherwise as the taste may dictate, checks Diarrhœa, Cholera and all Bowel Complaints, within a most incredible short space of time. Your obedient servant, L. J. RACINE. CURE FOR WHOOPING COUGH. St. Hyacinthe, C.E., Aug. 21, 1856. Messrs. Seth W. Fowle & Co., Gentlemen—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of your Dr. Wistar's Balsam of Wild Cherry. In three days after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure. You are at liberty to make any use of the above you think proper. If it shall induce any body to use your Balsam I shall be glad, for I have great confidence in it.—Yours, P. QUITTE. Proprietor of the Courier de St. Hyacinthe. CERTIFICATE FROM A WELL-KNOWN CITIZEN OF CORNWALL. Cornwall, O.W., Dec. 29, 1859. Messrs. S. W.
