

3. (a) The Parties competition authorities may coordinate their enforcement activities by agreeing upon the timing of those activities in a particular matter, while respecting fully their own laws and important interests. Such coordination may, as agreed by the Parties competition authorities, result in enforcement action by one or both Parties competition authorities, as is best suited to attain their objectives.
- (b) When carrying out coordinated enforcement activity, each Party's competition authority shall seek to maximise the likelihood that the other Party's enforcement objectives will also be achieved.
- (c) Either Party may at any time notify the other Party that it intends to limit or terminate the coordination and pursue its enforcement activities independently and subject to the other provisions of this Agreement.
