CALL FOR FEDERAL ANNUAL GRANT—MOTION UNDER S.O. 43

**Mr. Bill Yurko (Edmonton East):** Madam Speaker, I rise under the provisions of Standing Order 43 to place before the House a motion requiring serious and pressing consideration. I therefore move, seconded by the hon. member for Yukon (Mr. Nielsen):

That the federal government generously support by way of an annual monetary grant this very worth-while project which has been established in the national interest.

CALL FOR CONGRATULATIONS TO ALBERTA MLA FOR SUPPORTING FEDERAL CONSTITUTIONAL PROPOSALS—MOTION UNDER S.O. 43

**Mr. Jean Lapierre (Shefford):** Madam Speaker, I would like to move a motion under Standing Order 43 on a matter of urgent and pressing necessity. As hon. members probably know, last Thursday the MLA for Calgary-Buffalo, Mr. Tom Sindlinger, was thrown out of his party caucus after he dared support publicly the proposed resolution respecting the Constitution of Canada.

## [Translation]

Considering that the House will surely recognize that it is urgent to guarantee the rights and basic freedoms of all Canadians, and considering that a provincial member lost his right to speak within the caucus of his party, I move, seconded by the hon. member for St. Boniface (Mr. Bockstael):

## NATIVE RIGHTS

CALL FOR EXPLANATION OF POLICY—MOTION UNDER S.O. 43

**Mr. Stan Schellenberger (Wetaskiwin):** Madam Speaker, the first of a series of five-year policy statements entitled "Directions for the Eighties" has caused considerable resentment within the native community. Whereas finding solutions to the problems faced by the native community is of the utmost urgency to Canada, and since the proposed policy caused sufficient embarrassment to the minister to cause him to halt immediately its implementation, thereby exhibiting a total lack of control by the minister over his officials, I move, seconded by the hon. member for Cariboo-Chilcotin (Mr. Greenaway):

That the Minister of Indian Affairs and Northern Development immediately investigate what his officials are doing, make a statement on motions to the House and put an end to these chaotic and embarrassing occurrences within his department.

**Madam Speaker:** For its presentation, this motion requires the unanimous consent of the House. Is there unanimous consent?

**Some hon. Members:** Agreed.

**Some hon. Members:** No.
