

March  
Thirty-first  
1923.

Dr. G.E.J. Lannin,  
150 James Street South,  
Hamilton, Ont.

Dear Dr. Lannin:-

Thank you for your letter of March  
29th.

I look forward with much pleasure to  
being in Hamilton on Friday evening, April 20th. I  
shall leave Montreal at ten o'clock that morning by  
the Canadian National and I think that gets me into  
Hamilton at 7.15 p.m.

It is rather early for me to give you  
the subject of my address, but I imagine I shall have  
a good deal to say about the University, its present  
progress, its future plans and its relationship to  
Canadian life generally.

With all good wishes, I am,

Yours faithfully,

Principal.
