

my own opinion as to the interest of the subject before us. In reference to this subject, however, others have written on it as well as myself. Let our readers, therefore, judge for themselves.

In presenting the present work to the public, I have no very sanguine expectations. All I aim at is to lay before my readers a faithful and impartial statement of what took place, during my own times, in a quarter hitherto but little known.

Freedom from imperfection is not to be expected; yet, on the whole, I hope that this volume will prove to the calm inquirer, in all matters connected with the subject generally, a sure and satisfactory guide: allowance being made for any changes that may have taken place since this account was written—thirty years ago.
