

Jones' Falls

*Summer
Resort*

As a summer resort Owen Sound has many attractions, good hotels, fine scenery, beautiful drives and splendidly shaded camping grounds along the shores of the bay. The bay affords good opportunities for bathing and boating. Many cottages adorn its shores.

The Chicago, Duluth & Georgian Bay Transit Co., operating the two largest exclusively passenger steamers on the Great Lakes, has selected Owen Sound as its only port of call on the Georgian Bay. This Company alone land at least 1000 passengers weekly at Owen Sound during the months of July and August.
