## MERELY BREEZING AT WOODBINE PARK

Weather Still Cold and the Track Slow—Horses Only Jogging Along.

The trainers at Woodbine Park are still disappointed, owing to the cold weather and slow improvement of the track. The wind continues cold and raw.

The majority of the horses, of which there must be at least 150, were nearly all out yesterday morning, but none was given any fast work.

The Oddings stable had good, useful work, several taking strong gallops, but none of them was breezed more than a quarter. Some went along that distance in 25.

Trainer McDaniel breezed Calgary, First Slight and Moving Picture three-quarters in 1:22, and most of the two-year-olds were breezed quarters in 34. Mr. McDaniel says the track is still heavy, and he prefers not to work too fast before the weather and track conditions are better. Calgary seems to have rounded to in good shape, and was all right after his work, showing none of the signs of his recent lameness.

The Hendrie string, in charge of Eddie White, were given just slow gallops. All look in the best of condition.

Banty Rogers gave R. Crew's string slow gallops. They will be let down some as soon as the weather gets better.

Geo. Ritchings' Chad Buford was a very sick horse yesterday, but seemed much improved towards night.

Nat Ray was back in the sulky again yesterday, much to the surprise of his many friends. He was very sore, but said he had the work to do, and could not afford the time to lie up. Nat's nerve keeps him up.

Wm. Walker's string were all out for easy gallops. Jockey Carter is still with the stable.

## BRITISH RUGBY PROGRAM TODAY

Four League Games Down for Decision at Riverdale and Exhibition Park.

Today's British Rugby League program:

Toronto Welsh v. Toronto Irish, at Riverdale Park, 2:30; Overseas v. Toronto Scottish, at Riverdale Park, 4; West of England v. Y.M.C.A., at Exhibition Park, 1; North of England v. South of England, at Exhibition Park, 5.

Toronto Welsh and Irish Rugby teams come together at Riverdale Park today at 2:30. This game should be very evenly contested. The Irishmen having perhaps a little more weight in the pack. The Welsh backs, however, should out-balance this advantage. The referee for this game will be J. C. Davies.

The Toronto Scottish appear to have an easy thing with the Overseas, when they meet at Riverdale Park today at 4 o'clock. The Overseas, however, expect to put fifteen men on the field on this occasion, and it would not be surprising if a close game should result. Referee, J. C. Davies.

Two games will be played at Exhibition Park. The first, between West of England and the Y.M.C.A. at 3 o'clock. It can hardly be expected that the Y's will have much of a show against these opponents if they show up at Exhibition last week, but a good game should be given.

The second game will be played at 4:30, between the North and South of England. These two teams should certainly put up a great fight and it would be impossible to say which should come out on top. The referee for these games will be Mr. Lacey.

Overseas will stage a doubleheader at Little York this afternoon. The first game, between the juniors and Old Country, will start at 3 p.m. while in the second, engagement with Thistles the time of the kick-off will be 4. The Danforth club runs right to the front of the ground. Overseas' team to play Thistles will be: Goal, Harris; backs, Robinson, Harrison; half-backs, Hamilton, Croucher, Kingan; forwards, Aitken, Winter, Rutherford, Pratt, Holland. Referee J. Millsap.

South of England v. the North of England Rugby Club. Kick-off at 5, at Exhibition Park. The following are the South of England players: Usher, W. G. Ellison, W. Faroe, A. Ayers; halves, J. K. Gardner, T. Hunter; forwards, W. Bond, S. Farridge, J. Edwards, W. Bond, S. Smith, A. Spencer, W. Delph, T. Hicks, Lyle, A. Tues.

The game between the Y.M.C.A. and the West of England fifteen at Exhibition Grounds at 3 today promises to be a hummer, and a good crowd is expected. The Y.M.C.A. team will be selected from the following players: O. Jenner, F. Hoagson, E. Botterell, J. O'Connor, T. Knight, N. Young, L. Honking, B. Beecroft, G. McMullen, M. Motley, T. A. Young, D. J. Knight. All players are requested to be on hand by 2:30. Take King cars.

The C.O.O.F. baseball team will hold a practice this afternoon at 2:30 at the corner of High Park and Bloor street. Players are requested to be on hand, as this is the last good practice we will have before the season starts.

Billy Hay says:

"I'm told that Old Man Huerta is quite a tough customer. But I'll wager the Vera Cruz customs receipts for a year against three rounds of ammunition that if he could get a glimpse of Semi-ready Garments for Spring and Summer, he'd loosen up and salute any old flag he was asked to without a quiver.

"Straight dope! These Semi-ready Spring Suits and Overcoats are creating quite a stir.

"Men tell me they're the best values in town. And when I see the ones who have already bought bring their friends in, it must be true.

"How about yourself? Better come in and look them over today!"
