

IMPORTANT SALE

—OF—

**VALUABLE
Timber Limits**

The undersigned has received instructions from Rochester, Doherty & Co., to sell by public auction at the

**Russell House, Ottawa, on
Tuesday, the 28th day
of October, 1890,
at 2.30 p.m.**

Those valuable Timber Limits situated on the Ottawa River, Province of Quebec, being composed of Licenses Nos. 334, 335, 336, 337 and 338 of 1890-91 containing 127 1/4 square miles, more or less together with all improvements, Depots, Farm, Horses, Plant, &c. These Limits are situated on the Ottawa River, opposite Mattawa, and have a frontage of 21 miles, are well watered by Antiole Colton, Cameron and Snake creeks, all of which streams are well improved. To mill owners, this sale of limits should attract special attention as they are heavily timbered, and most conveniently situated of any limits now in the market. Owing to the death of the late W. H. Doherty (one of the partners) these limits must be sold to wind up the business. Terms and conditions will be made known at the time of sale.

For further particulars apply to
I. B. TACKABERRY,
Auctioneer.
