

*It is believed that the principal regulations referred to above are the following, from the Revised Statutes of New Brunswick, vol. 1, title 22, chapter 101:*

"7. The wardens of any county shall, when necessary, mark out and designate, in proper positions, 'gurry grounds,' putting up notices thereof, describing their limits and position, in the several school houses, and other most public places in the parish where the said gurry grounds are marked out, publishing the like notice in the Royal Gazette; and no person, after such posting and publication, shall cast overboard from any boat or vessel the offal of fish into the water at or near the said parish at any place except the said gurry grounds."

"12. Within the parishes of Grand Manan, West Isles, Camps Bello, Pennfield, and Saint George, in the county of Charlotte, no seine or net shall be set across the mouth of any haven, river, creek, or harbor, nor in such place extending more than one-third the distance across the same, or be within forty fathoms of each other, nor shall they be set within twenty fathoms of the shore at low-water mark."

"15. No herrings shall be taken between the 15th day of July and the 15th of October in any year, on the spawning ground at the head of Grand Manan, to commence at the eastern part of Seal Cove, at a place known as Red Point, thence extending westerly along the coast and around the southern head of Bradford's Cove, about five miles, and extending one mile from the shore; all nets or engines used for catching herring on the said ground within that period shall be seized and forfeited, and every person engaged in using the same shall be guilty of a misdemeanor, and punished accordingly."
