PAINTED SPARROWS

"No imitation is exactly like the original." —Lord Macaulay.

You may paint a sparrow to look like a canary, but the bird won't sing. You may see imitations of the

"DAVIS NOBLEMEN" CIGAR

BUT THE IMITATIONS LACK THE "NOBLEMEN" QUALITY.

The cream of the Havana crop — skilled Cuban workmanship — and fifty years' experience combine to produce "NOBLEMEN." This is why it is equal to high-grade "imported" brands.

"NOBLEMEN" CIGARS cost two for a quarter or half the price of "imported," because they escape heavy duties. That is why the smoker should buy them. He saves 50 per cent. without sacrificing one iota of quality.

"NOBLEMEN" size, 2 for a quarter. "PANETELAS" size, 100 straight. "GONCHA FINA" size, 3 for 25c.

Basketball at the Mission. A great work in physical culture is being done in a small way among the boys of the Fred Victor Mission. It is, perhaps, not generally known that one of the departments of the mission most used is the gymnasium, under the able direction of W. P. Bauld, and J. Robinson. The department is under the supervision of Mr. McKenzie, who has charge of the manual training class.

Among the features of the gym is an exceptionally fast aggregation of basketballers who on Tuesday night will try to send the Evangelists five to defeat. Mission boys will likely line up as follows: Forwards, H. Major (captain) and F. Nelson; centre, Weimer; defences, H. Hickey and C. Hargreaves; spars, H. Duke and D. Brennan. The boys are all asked to turn out Friday night for practice.

Don Valley League. A meeting of the above-named organization will be held one week from tonight (8th inst.), for the purpose of organizing for the coming season. Any team desiring information will be accommodated by addressing by mail President Robert Ferris.

Granite Club Curling. The final games for the Noel Marshall trophy at the Granite Club have reached the third round. Eight rinks are left, which will play to-morrow as follows: Stockdale v. Prentice; Davidson v. Whiteside; Beattie v. Hearn; Knowles v. Orr. The semi-finals will be played to-morrow.

Vermont League Champions. The Vermont B.E.C. champions of the Vermont League of 1910, request all players and supporters, and any new players, to meet at the West End Y.M.C.A. Monday evening, March 13, at 8 o'clock, as the club are holding a very important meeting, and all business must be transacted on that night.

Warning the Deacon. "Paul Morton," said a Chicago insurance agent, "was a stickler for business honesty. I once heard him, in an address to agents, declared that a dishonest dealer would turn the straightest patron's morals slightly askew."

Startling Comparisons. United States produced one-third more coal per worker than does Europe, and in doing so kills or cripples three times as many men. To bring the fact home in another way, and to make it a little stronger, their coal industry alone manufactures ten thousand widows and twenty-five thousand orphans every ten years. Doubtless they secure a higher efficiency, but they pay a fearful price for it. The coal trade is no isolated instance. Statistics for the years 1904 and 1906, compiled by Gilbert
