## LEWIS-SMITH.

A pretty wedding was solemnized at St. Bartholomew's Church by the Rev. Mr. Taylor on Wednesday evening last when Mabel Lillian, eldest daughter of Mr. and Mrs. William Smith, was married to Walter E. Lewis. The bride wore a handsome dress of duchesse satin with Brussels lace overdress, and carried a bouquet of white roses. Miss Eva Smith, the bride's sister, acting as bridesmaid, wore a very becoming dress of Alice blue silk, also a pearl brooch, the gift of the groom, and carried a shower of pink roses. A reception was afterwards given at the house of the bride's parents, 245 Ontario-street. Sixty-nine guests sat down to the repast. The presents were both numerous and valuable.

## JAMESON-HOLMES.

A quiet wedding took place at the residence of Rev. Dr. Taylor, Toronto, when Miss Mary Elizabeth Holmes, daughter of John and Elizabeth Holmes, formerly of Scarborough, became the wife of James Jameson. The bride, who was unattended, was attired in a cream serge, trimmed with green lace and pearls, wearing a picture hat trimmed with ostrich plumes. Mr. and Mrs. Jameson left last night for Niagara Falls and other points, and will be at home at Westmount, Montreal, Nov. 1.

BETTER THAN SPANKING. Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W. 85, Windsor, Ont., will send free to any mother her successful home treatment, with full instructions. Send no money but write her to-day if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

The Honorary Governors who will visit the Toronto General Hospital during the week commencing on October 1st, are Dr. R. Wilkie, Esq., and Sir William Mortimer Clark.

## WAS GREAT-GREAT GRAND-MOTHER.

MONTREAL, Sept. 29.—Jeremie Barrette was a proud great-great-grandmother yesterday afternoon, when, at the age of 105 years, she held in her arms a one-day-old child, which was christened at the Church of the Immaculate Conception.

Five years ago she held in her arms the youngest of a family of great-grandsons, when he was christened at a church in Point St. Charles. The eldest of that family has now been married over a year, and on Wednesday a representative of the fifth generation was born.

## STRIKE IS NOT SPREADING.

MONTREAL, Sept. 29.—There is little probability of the strike of the laborers on the water front increasing. Yesterday almost 100 men, mostly engaged about sheds in the employ of the Dominion Transport Co., refused to work, others having joined them, but only in small numbers.

The striking men are asking an increase of five cents per hour, from 20c. and 25c and 35 cents an hour. Officials of the Transport Co. said they were getting all the men they require.

## NAME SIR CHARLES TUPPER.

LONDON, Sept. 29.—(C. A. P. Cable.)—Several Canadians here, presumably well informed, are of the opinion that Sir Charles Hibbert Tupper will succeed Lord Strathcona as Canadian High Commissioner in London.

## Sensation at Rodney.

RODNEY, Sept. 29.—While digging a ditch about three miles from the village on the farm of H. Rippen, parts of the skeleton of a mastodon were unearthed, and being in a good state of preservation, the curiosity will be on exhibition at the fall fair.

## INTAKE EXTENSION DELAYED.

Owing to rough weather the 500-foot extension to the city intake pipe may not be completed until spring. Now the contractors are spending their time making the old intake pipe secure for the winter. That pipe must be fixed so that there will be no danger of a break this winter before the other work is proceeded with.

If that work is not finished soon rough weather will prevent the other work from being concluded until spring.
