

Post-mortem examinations throw no light on Neuralgia.

one or more every evening for a length of time, as there are many good medicines that are injurious to take for a length of time. * * * I have for several years been troubled with COSTIVENESS, so that even *injections* would not procure me an *evacuation*. I was all the time in *more or less pain* from the flatulency, with large discharges of wind. At the same time I was afflicted with *urinary difficulties*; at times it *almost killed me to pass water*, very scanty and in drops; at other times large quantities, almost amounting to diabetes. My age is 63, I tried everything I thought would do good; nothing afforded relief. In short, I procured one box of RADWAY'S REGULATING PILLS; took six; free evacuations followed—no sickness, no pains. Took two at bedtime, this secured a stool every day; sometimes would take three, at others four each day; result—regular for several days without pills. All pain and trouble from wind ceased. Got one bottle of R. R. RESOLVENT; *urine now all right*. I am well known, more or less, all over the State, and not unfavorably for truth and veracity. Send pills without delay. (signed) J. HILDRETH.

Cases of INFLUENZA and CROUP are speedily and successfully treated and cured by the R. R. Remedies.

CONGESTION OF THE LUNGS.

If suddenly seized with Congestion or Inflammation of the Lungs, Pneumonia or Pleurisy, rub the chest and side, back and spine freely with Radway's Ready Relief; give the Resolvent in doses of a teaspoonful *every hour*, and take six or eight of Radway's Pills. In the most distressing forms, the patient will breathe free and easy. In a few minutes after the rubbing with the Relief, and swallowing the Resolvent, all danger will be passed as soon as the Pills operate; but it is well to continue the Resolvent and Pills in small doses for several days, and to wear around the body flannel soaked with Ready Relief. If the simple treatment in the above form of epidemic diseases is followed, life will be preserved.

FOR BILIOUS DISEASES.

Not one in a thousand would suffer from bilious complaints if Dr. Radway's treatment is observed, and all who may be seized with Bilious Colic, Bilious Fever, Typhoid Fever, Chills and Fever, Fever and Ague, Remittent and Intermittent Fever, in fact, all animal and vegetable fevers, are prevented and cured by RADWAY'S PILLS, assisted, when required, by the READY RELIEF.

TREATMENT.—See directions around each bottle and in each box.

ONE PILL, taken when symptoms of dizziness, fullness or pain in the head, nausea at stomach, indigestion, costiveness, pain after eating, sleeplessness, bad dreams, etc., etc., appear, will soon cure this difficulty. Radway's Pills are unlike all other pills; each pill contains three grains of the active curative principles of extracts of the rarest products of the vegetable kingdom—of ingredients some of them never before used as medicine, and to be found only in these Pills.

In cases of colic, severe inflammation, or paralysis of the bowels, and a speedy discharge of their contents required, grind six of the pills to a powder, and take in some preserves or water. In half an hour, the Pills, given in this way, will generally operate. The dose can be repeated, if necessary, in two hours. We have known the Pills, given in this form, to open the bowels WHEN CROTON OIL, *Elatarium Podophyllum*, MANDRAKE, have failed. It is seldom that a second dose will be required in these cases of *Intestinal Obstructions*.

It will greatly assist the Pills in effecting a cure, by giving the patient a bowl of hot oatmeal gruel six hours after taking the Pills, or in the morning previous to their operation. In sudden Colds, Influenza, etc., this treatment is a sure cure.

BURNING SPRINGS, WIRT CO., W. VA., July 27, '79.

DEAR SIR: I tender you my most sincere thanks for the benefit I have received through your medicines. I have used your R. Relief and Pills for neuralgia and liver complaints, and am now, I think, a well man. My wife has used the same for indigestion and sick headache and received the greatest benefit therefrom. She wishes you to send her a copy of "False and True," etc.

Your humble servant,

WM. PRICE.

A greater malady obscures the sense of a lesser one.

In pregnant women, diarrhea operations abortive.

Bleeding in pregnancy produces abortion.
