LO! THE POOR FRESHMEN

Sophomores Played Them Rugby for the Mulock Cup, Score 44 to 6.

ARGONAUTS AND OTTAWA COLLEGE.

Gleeson May Captain Students in Championship Battle on Saturday.

The third game in the Mulock Cup series was played yesterday afternoon, when the sophomores downed the freshmen in a terrible slaughter, the finish being 44 to 6. The freshmen never had a look-in, and were outplayed at every turn. The game was too one-sided to be interesting, altho several of the Rugby men were in attendance.

The freshmen won the toss and kicked north with the wind, but the second-year men soon forced the play, and by continuous tandem plays between Ballard and Beal, they scored the first try, which Beal failed to convert. Shortly after this Pearson went over for another try, and the goal was not converted. This was followed by a rouge, and the sophomores kept steadily piling up their points. Just before the half was completed the freshies got a rouge. Then Ballard went over again and failed to convert. Score, 16—1. Just as time was up, Billy Beal got the ball, ran over 40 yards, and went over the sophomore line for a try, which he failed to convert, and the teams changed ends, with the score 16—6.

The second half was most tiresome, as it was nothing but runs and scores made by the second-year men, as they added 28 more points to their 16, and the freshmen never neared the line. In the second half Ballard got three tries, and converted one, while Snively and Beal each got one, making the total 44. This is the largest score ever made in a Mulock Cup game. The teams were:

Sophomores (44)—Back, Scott; halves, N. Beal, McAllister, Ballard; quarter, Montague; snapback, McQueston; right wings, Snively, Gain, Pearson; left wings, Baird, Moore, O'Leary.

Freshmen (6)—Back, W. Beal; halves, Johnson, Rathbun, Henderson; quarter, Hoar; snapback, Boyd; right wings, McKinnon, Cook, Heighington; left wings, Reid, Henderson, Harrison.

Referee—F. D. Woodworth. Umpire—A. F. Rutter. Linesmen—Morrison and Chown. Timer—Morrison.

This afternoon at 2.15 the junior and senior meds. play off their match on the Athletic Field.

McMaster's Interyear Football.

For the third time since they entered the University, '02 has won the McMaster inter-year Association. The final game, and it was a good one, was played off last night. Everybody, that is from the university, was there and they were all surprised at the brilliancy of the playing. The chances were even until the game started, but before long a score by the seniors showed that their old-time valor had not yet forsaken them. The ball was constantly in the territory of the theologs and at half-time the score stood 2—0 in favor of '02. In the second half they doubled the score, while Theology were not able to get near enough to try a good shot. The teams lined up as follows:

Theology (0): Goal, Baker; backs, Reckie, Guyatt; half-backs, Smith, Haydon, Ridderford; forwards, Sayles, Mode, Brownlee, Echlin, McDonald.

Seniors (4): Goal, Sinclair; backs, McLaurin, McKerricher; half-backs, C. J. McLean, Arkell, Girdwood; forwards, J. A. McLean, Bellamy, Torrie, Walker, Meldrum.

Referee—Mr. Lalley, '02.

Gleeson May Captain College.

Gleeson reluctantly consented to play for Ottawa College against the Argonauts, as he did not think his presence back on the line would strengthen the team, on account of his not being in touch with the system of play as developed by the other men. The College Executive thought otherwise, and prevailed upon him to consent to play.

An Ottawa despatch says the interest taken in the coming match, and the desire of all citizens that College should win, was shown, when a delegation from the Ottawa Executive waited on Mr. Gleeson and asked him to turn out with Varsity. Later the College delegation, composed of B. Slattery, J. J. Macdonell, Captain Boucher and W. Rogers, waited on Gleeson, and after a lot of persuasion he yielded. Captain Boucher resigned his position in favor of Gleeson, but the latter would not accept it. Boucher, however, insisted on him taking it, and the chances are that he will accept it. He is in fairly good condition, and four practices will fit him for the big game. He should be a tower of strength to the Collegians, who lacked in experienced men behind the line to steady the younger men.

College supporters will now have more confidence in the chances of the team winning the Dominion championship. The showing in the practices will decide which of the four men playing behind the line will retire.

Rugby Football Gossip.

Judging from the teams that have already played off their Mulock Cup games, the final will likely be between the School of Science and St. Michael's College.

The candidates who will stand for the office of captain of Varsity senior Rugby team next season will likely be Casey Baldwin and Percy Biggs. The election will be held after the Thanksgiving Day game.

The Varsity first and second teams are requested to turn out for practice this afternoon at 4.30 o'clock, in preparation for the match on Thanksgiving Day with the Argonauts for the Beattie Nesbitt Cup.

Dr. William Tanner, an old Varsity boy, who is now practising medicine in New Ontario, is visiting in Toronto. Billy was one of the Varsity champions of 1896. He is looking remarkably well, being much stouter than when he left the city.

According to an Ottawa despatch, the Argonauts are the favorites in the betting for the final game for the Rugby championship of Canada, which will be played in Montreal next Saturday against Ottawa University team. The odds are at 8 to 10 in favor of the Argos.

Joe Wright's scrimmage is being questioned by the Ottawa critics. Gleeson refereed the Argonauts' game with the Tigers here a couple of weeks back, and he could not find any fault with the "scrim." It is not likely that the Argos will adopt a new formation, therefore, notwithstanding the contention of the Ottawa journalists.

Sporting Editor World: The game between the Wellesleys, winners of Section 1 in the Toronto Rugby League, and Orioles, winners of Section 2, is hereby ordered to be played in McMaster Athletic Field, Dupont and Avenue-road, on Saturday, Nov. 23, at 2.15 p.m. Officials will be appointed later. J. E. Green, secretary and treasurer, Toronto R.F.L.

More than 30,000 tickets have already been sold for the Harvard-Yale football game next Saturday at Soldiers' Field, Cambridge. So rapidly have the tickets sold that there will scarcely be 1000 tickets left for the general public after the general student sale. It is expected that $62,000 will be taken in altogether. This will be divided between the two colleges, Harvard getting two-thirds and Yale one-third.

The Argonauts took their final practice at the Moss Park Rink last night before leaving for Montreal to-night. The men are in the pink of condition, and should land the Canadian championship. The team is: Back, Ardagh; halves, Hardisty, Darling, Henderson; quarter, Britton; scrimmage, Russell, Wright, Boyd; wings, Langton, Grant, Wilson, Farmenter, Kent, Hill, Chadwick; spares, Reiffenstein, King, Harcourt.

An Ottawa despatch says Ottawa-Varsity will likely make an effort at the next general meeting of the Quebec Rugby Union to have Morley Walters' suspension removed. He has been under the ban for nearly three years. Efforts have already been made to secure the removal of the suspension, and the fact that he has played with the Rough Riders will not make any difference. Of course, Walters is not eligible to play with College now, as any player who has figured on a team in one union cannot join a team in another to contest for the Canadian championship. It is understood that the other clubs of the Quebec Union will not make any objection to Walters' reinstatement.

NEW YORK HORSE SHOW.

New York, Nov. 20.—Hunters and jumpers, Shetlands, trotting stallions and roadsters divided the interest and shared the honors at the Horse Show to-day. The morning crowd was larger than usual and the spectacular performance of the jumpers, which were sent over six successive hurdles, each five feet high, was the special attraction. There were 27 entries in that class and after them came a big band of horses, suitable to become hunters. The Shetlands followed them with four classes shown, and after them were the trotting stallions.

George Peabody Wetmore and John C. Hackster were the Ring Committee for the day and Cornelius Fellows and A. Newbold Morris officiated to-night. The day was clear and sufficiently chilly to be stimulating.

THEIR OWN CHARLIE DOOLEY.

Montreal in Eastern League to Stay, Says The Witness.

Montreal will be represented next year in the Eastern League baseball circuit as heretofore, notwithstanding the newspaper announcements to the contrary. A private meeting of the Montreal Baseball Club Executive was held recently when the matter was thoroly discussed, and it is now officially stated that Montreal will undoubtedly remain in the Eastern League.

In fact, the club had no intention of dropping out, and how the rumor became public that the Royals were liable to leave Montreal, is more than the management of the club can understand.

Mr. J. Clark, secretary of the club, stated yesterday that Montreal was in the league to stay, and that it was expected that next season the Royals would have the strongest team they have yet had.

It was all "talk" for outside officials to make statements regarding the withdrawal of the Royals from the Eastern circuit; they were in the game, and they were there to stay; that is, if the Montreal management had anything to do with it.

The club, said Mr. Clark, is to be strongly represented at the league meeting to be held in New York next month, when the local management will undoubtedly talk business regarding the future of the team in the league.

You can make the statement with my authorization, continued Mr. Clark, that Montreal will be represented as usual next summer in the Eastern League circuit. The coming meeting promises to be very interesting. Altho it has been announced that Syracuse would again be a member of the circuit, there has been a vigorous denial of it on the part of the magnates, who attended the recent gathering of minor league promoters, when it was claimed that Syracuse had been counted in with Jersey City and Newark as members in place of Hartford and Montreal. Hartford seems doomed for the Connecticut League, and the chances of there being any strenuous effort made on the part of the Eastern League officials to keep that city in the circuit are slim.

It is known that Mr. Powers favors the admission of the New Jersey cities into the league, and it is believed that either would be stronger than Hartford or Syracuse.

No doubt the baseball fans in this city will be pleased to learn, as officially announced, that Montreal will again have the opportunity of welcoming back "our own Dooley" and his aggregation of baseball twirlers next spring.—Montreal Witness.

Were All After Bonner.

Boston, Nov. 20.—The Boston League club directors are growing worried over Dineen's refusal to sign the contract sent him calling for $3600. Dineen received $500 for signing the document last fall, but the club refuses to give up that bonus this year, and Dineen refuses to get in line, and the little birds say that Captain Jimmie Collins has Dineen's promise to play with the American League next season if Ban Johnson should place the pitcher on the eligible list, which he might do if Charley Somers should say the word.

Dineen is at Syracuse, where Eckenberger is living, and the new manager has instructions to keep an eye on the star pitcher, as it would be disastrous to lose him at this stage of the fight.

Bobby Lowe denies the story that Fred Tenney and he were in a combination to stick until both got their price. Lowe is at Beaver Falls, Pa., with two good offers from the American League, and says he will take one of them unless the Boston Club raises his last year's salary by several hundred.

The American League Club here has positively signed three new men and has strong lines out for two more. The ones signed are a catcher from one of the league clubs, a first baseman in Lachance and a young pitcher. Lines are also out for one of the finest outfielders in the league and a first-class pitcher. Schreck, Dowd and Hemphill, the three men who failed to live up to the rules, have been discarded.

Manager Selee was much disappointed after his trip to Toronto to find Bonner was already tied up with another club. Nearly every club in the big leagues was after this man.

Cricket in New York.

New York, Nov. 20.—The annual fall meeting of the New York Cricket Association was held yesterday at the Grand Opera House. Jerome Flannery presided, and delegates were in attendance from the Brooklyn, Manhattan, Paterson, Newark, Kearny, King's County and Essex County Clubs. The Executive Committee presented a report on the season's work, which was deemed entirely satisfactory, and the Paterson Cricket Club was awarded the pennant as champions of the association for 1901, while H. Poyer of the Brooklyn Club and W. Bunce of Paterson were voted prizes for their records with the bat and ball, respectively. The former had an average of 24.80 for eight innings, and the latter captured 38 wickets for 2.92 apiece.

Association Football.

At Stanley Park yesterday afternoon, the Dundas-street merchants defeated the Queen-street merchants in a game of Association football by 4 to 0. The Dundas-street merchants meet a team composed of street car men next Wednesday, and would like to arrange a game for the following Wednesday.

The R. G. McLean Association Football Club would like a game with one of the local teams for Saturday next, the Toronto School Teachers' Club preferred. Address Ed. Tompkins, secretary, 32 Lombard-st.

The Protest Committee of the Junior Association Football League met last night and decided three protests, which materially affect the standing of the teams. The Givens v. Bathurst game of Oct. 26 was declared a draw. The Grace Church-Ryerson game of Nov. 2, won by Ryerson, was forfeited to Grace Church. The Crescent-Grace Church game of Oct. 26 was ordered to be replayed. The committee will decide the Crescent-Bathurst protest at an early date.

After Canadian Hockeyists.

Montreal, Nov. 20.—Word has been received in local hockey circles that the New York and Pittsburg Hockey Clubs are looking out for crack Canadian players to join their teams, and consequently Montreal teams are keeping a sharp watch on their players. Wall and Dobby, two of the best players the Crescents of New York had, were Canadians and they have decided not to play any more.

Marlboros to Reorganize.

A meeting of the Marlboro Hockey Club will be held to-night at 8 o'clock at the residence of Mr. John Earls, 192 Spadina-avenue, for the purpose of reorganizing for the coming season. A large and enthusiastic meeting is anticipated. An endeavor will be made to secure a covered rink. If they do so they will enter an O.H.A. team. A bright season can be looked forward to. Members and players wishing to join are cordially invited to attend.

Varsity Hockey Club.

The annual meeting of the Varsity Hockey Club will be held to-morrow afternoon after the Mulock Cup game. The team will be somewhat stronger than last season, as a number of new men have come to the College. Several Upper Canada College boys should figure on the team, while Snell, Hanley and Gibson of last season's seven will be out again.

Hockey Players in New York.

New York, Nov. 20.—Hockey practice has already begun in the St. Nicholas' Rink. The teams of the New York Amateur League have been working steadily for the past week in preparation for the regular league games. The weeding-out process is about over, and the men will line up as follows:

New York Athletic Club—O'Donnell, goal; Hunt, point; Frederick, cover-point; Hornbeck, Howard, Cobb and Fry, forwards.

St. Nicholas—Hayward, goal; Russell, point; Belden, cover-point; Bronson, Gordon, Campbell and Barren, forwards; Russell of Harvard, Campbell of Yale, and Belden.

Hockey Club of New York—Ellison, goal; Cunningham, point; Kerran, cover-point; Philips, De Casanova, Russell and Huntington, forwards.

Crescent Athletic Club—Hallock, goal; McKenzie, point; Drakeley, cover-point; Wall, Dobbly, Sheibler and Kennedy, forwards.

A junior league will be formed from the substitutes of the first teams.

A TIE IN THE MATCH SHOOT.

Martin and Clark Killed 9 Out of 10 Each at Eglinton.

The pigeon shoot held at Oulcott's Hotel, Eglinton, yesterday afternoon was most successful. There were three series at 10 birds, 5 birds and 6 birds. Besides there was a match for $25 between W. J. Martin and George Clark, which resulted in a tie, Martin missing the first bird and Clark missed the seventh. The shoot at 10 birds was won by Mr. Sheppard. After the shoot supper was served in the hotel, when about 40 sat down and partook of a sumptuous repast of almost all sorts of game fowls. The following are the afternoon's results:

Capt. McKenzie's Team Won.

The West End Y.M.C.A. League basketball game last night resulted in favor of Captain McKenzie's team by 11 to 8, after playing extra time. Captain Quinn's side put up a plucky battle, and at the end of the requisite period it was 8 to 8. They agreed that the team scoring three goals quickest would win, with the above result. To-night at 8.30 Patterson plays Craig and McGuire meets Piper.

LAKESIDE TRACK DESOLATE.

Chicago, Nov. 20.—Trainers, horses, jockeys—all will pack up and pull out from Lakeside this morning, and the sand dunes of Roby will once more be desolate and without an inhabitant. A special train of 21 cars, carrying 272 head of racers, left for New Orleans this morning, and, with the exception of a lonely half dozen, every horse that has raced on the Indiana course this season was aboard.

Robert Waddell, the great 3-year-old, will be one of the forlorn few left behind. The wonderful race horse was reported no better yesterday, and there is an unpleasant possibility that he may have to be destroyed. "Possum," Robert Waddell's colored attendant, will remain behind to take care of him. The rest of the Bradley stable was shipped to Bennings this morning.

The horsemen who left last night or will go to-day are as follows: E. D. Greenwood, Hedges & Harvison, G. B. Havill, J. O. Keene, J. F. Holt, B. M. Jackson, Frank Lightfott, Mrs. H. Morgan, E. Sporting Notes.

The annual meeting of the Varsity Lacrosse Club will be held in the Gym. this afternoon at 5 o'clock.

Young Mowatt of Chicago was given the decision over Kid Herrick of Detroit in a 15-round contest Tuesday night at Jackson, Mich.

The annual meetings of the Ontario Jockey Club will be held in the office, Leader-lane, this afternoon at 3, when the officers for the year will be elected.

George T. Stallings has disposed of his interest in the Detroit Club. The deal was closed Monday, and Mr. Stallings says that in disposing of his interests he is out of baseball for good.

Frank Bonner has signed with the Cleveland Club. A born ball player is Bonner, one of the best ever, but his engagements in fast company have always been spoiled by his behavior.—Buffalo Times.

Harry Gilmore, jr., has at last, after years of persuasion, gained the consent of his mother to enter the ring, and will be seen in a six-round contest with Billy Rotchford at the C.A.A. on the night of Dec. 7. The younger Gilmore can fight at 118 pounds, and is said to possess all of the science and strength which made his father champion before him.—Chicago Inter Ocean.

Elaborate preparations for the opening of the Crescent City Jockey Club's winter meeting, on Nov. 28, have been made by the officials. The condition of the track has much improved, and the stabling facilities increased. The club has received 1266 entries to the 21 stakes already announced. Tommy Burns, W. C. Whitney's jockey, will, in all probability, head the Eastern delegation.

A GRUESOME FIND.

Winnipeg, Nov. 20.—Another gruesome discovery of the remains of a man's body was made yesterday by a young man employed on Arch. Wright's farm in St. James, 5 miles from here. The young man in question was at work in a hay meadow when he came across the remains. There is nothing but bones and clothes remaining, and it is supposed that the body is that of some unfortunate who lost his way and froze to death last winter, as the body was clothed in a fur coat and cap, besides undergarments and two pairs of socks. The body has not yet been identified.

McClelland and Callahan 20 Rounds—McCune's Record.

In a letter received by the Crescent A. C. manager yesterday, Tim Callahan stated that he might train five or six days here, having been promised suitable quarters by the club. So the celebrated Philadelphia feather-weight, the only man who ever secured a victory over Terry McGovern, may be in Toronto any of these days. Callahan makes his headquarters at the Grand Union Hotel. McClelland is training in the gym. of his manager, Billy Corcoran, at Pittsburg. Tom McCune, who clashes with Fred Vannuch in the 12-round battle, will arrive from Detroit the morning of Thanksgiving Day. He must train carefully to make the stipulated 145 lbs.

McCune has quite a record, his best battles being as follows: W, Leslie Pierce, 6, W, Jerome Quigley, 6; D, Wil. Jack Daly, 6; W, Young Peter Jackson, 6; KO, Jack Hammond, 15; KO, Jim Dewar, 2; D, Black Griffo, 20; KO, Archie Woods, 4; KO, Kid Baxter, 3; L, Jack Bennett, 20; L, Jack Bennett, 15; L, Phil. Tom Ryan, 6; W, Walter Nolan, 6; W, Shorty Ahern, 6; W, Otto Selloff, 3; D, Paddy Nagle, 10. This is the record as furnished by McCune, but evidently several of his losing battles have been omitted.

Arrangements have been made to heat the rink. Besides the furnace in front, a bulldog stove will be placed in the ring enclosure, and patrons are assured that the big building will be perfectly warm a week from to-night.

Same as Knockout, Says Referee.

Cincinnati, Nov. 20.—Those who bet that Jim Jeffries would beat Gus Ruhlin with a knock-out will be interested in the decision of Harry Corbett on this particular point. Ever since the contest there has been much discussion going on in sporting circles regarding what constitutes a knock-out. It is surprising what a difference of opinion there is on the question. To make sure of a fair decision a message was sent to Harry Corbett, who refereed the bout, and the following telegram was received in reply:

San Francisco, Cal., Nov. 18, 1901.

In reply to your message I will say that when a man's seconds throw up the sponge in a glove contest it is to save him from a knock-out. In my judgment this is equivalent to a knock-out.

BOY DROWNED AT QUEBEC.

Quebec, Nov. 20.—A little son of Mr. William Saddler, ship laborer, of Champlain-street, was drowned this morning. The unfortunate little fellow, it seems probable, went over the wharf while sliding. He was missed about 11 o'clock, and a search revealed the lad's sleigh on the edge of the wharf and the body of the boy floating in the river.

Calgary, N.W.T., Nov. 20.—Constable MacDonel, N.W.M.P., while patrolling northeast of Calgary, was thrown from his horse and when first seen by his company was hanging on a wire fence. He is still unconscious, and his physician reports his condition is critical.

GRAIN SHIPMENTS HEAVY.

Tally for Past Few Days 925,000 Bushels—Ice Breakers at Work.

Port Arthur, Nov. 20.—The steamers Black and Maulae, two large American liners, are expected to-day to take grain. The Black will load 225,000 bushels, and the Maulae will take the record load from this port, 250,000 bushels. The grain shipments the last few days have been very heavy, tallying 925,000 bushels.

The steamer Energy was tried yesterday in the Kaministiquia River as an ice-breaker. She easily broke her way thru five inches of solid ice. She has proved herself far superior to the tugs which have heretofore been used. It is likely that she will hereafter be used to keep the river clear of ice.

YANKEE POACHERS WARNED.

Amherstburg, Nov. 20.—The fisheries protection steamer Petrel arrived here last night. Captain Dunn reports gathering in 52 gill nets set in Canadian waters east of Middle and Pelee Islands. Fifteen of the nets were tagged 5, 37 and 7.

The Yankee poachers have been getting bold at this point for some time, and Captain Dunn took a run out and gathered in the gill nets.

The Ontario Fisheries Department has lately granted licenses to fishermen to gill net along the international line, so that the Americans will be kept on their own side of the line. The Petrel will not go into winter quarters for some time.

ALL RECORDS BROKEN.

Winnipeg, Nov. 20.—The railways are doing great work in carrying out the Manitoba wheat crop. From Sept. 1 to Nov. 16, no less than 17,680 cars of grain were loaded and shipped east, carrying in the neighborhood of fifteen to sixteen million bushels. The total amount of grain shipped east last year, from Sept. 1, 1900, to Sept. 1, 1901, was only a trifle over thirteen million bushels. At present all records for grain shipments have been broken, and it is expected that the total amount exported this fall will reach twenty-two million or twenty-three million bushels.

ULTIMATUM TO BRIGANDS.

Sofia, Nov. 20.—Mr. Dickinson, according to The Vezerna Posta, whose editor was a member of a former Macedonian Committee, has sent an ultimatum to the brigands giving them six days to accept a specified sum as the ransom for Miss Stone. If this amount is not accepted within the time mentioned, Mr. Dickinson's offer will be withdrawn.

Specifies £12,000.

London, Nov. 21.—Mr. Dickinson's ultimatum to the brigands, according to a despatch from Sofia, to The Daily Telegraph, specifies £12,000.

Windsor, Nov. 20.—The officials at the office of the United Gas and Oil Company said this morning that the supply of natural gas to Detroit was turned off last evening in compliance with the promise given by the Interior Construction Company to the Toronto courts yesterday for a week's continuance of the injunction restraining Sheriff Iler from disconnecting the submarine pipes.

BROKE THRU THE ICE.

Winnipeg, Nov. 20.—While endeavoring to cross the ice from Norman to Rat Portage to-day Joseph Mitchell, aged 17, broke thru and was drowned. The body was recovered after being in the water 20 minutes. He was going to Rat Portage to meet his mother.

OTTAWA VACCINATION.

Ottawa, Nov. 20.—The City Solicitor says the Council cannot suspend the law regarding compulsory vaccination. The Board of Health is going to enforce vaccination, while the Council says it should not be enforced.

MR. TARTE'S NAME STANDS.

Montreal, Nov. 20.—At a meeting of the Letellier Club to-night a motion to drop Mr. Tarte's name as hon. president of the club was defeated.

LOCKJAW AFTER VACCINATION.

St. John, N.B., Nov. 20.—A 6-year-old daughter of Oscar Causton, a letter carrier, died to-night from lockjaw, following vaccination.

A Stubborn Little Fool.

He was at school in Canada, and it was his first day in class. The geography lesson was called, and it was his turn to answer.

"Which is the largest city in the world?" asked the teacher.

"New York," unhesitatingly came the answer.

"I mean the largest city in the world," said the teacher.

As promptly came the reply, "New York."

"But," expostulated the teacher, "I did not say the largest city in the United States, but the largest city in the world. You surely know which is the largest city in the world."

"New York," persisted the boy.

"London has a larger population than New York," said the teacher. "If I do not have the correct answer this time I shall have to punish you. Come, now," coaxingly, "tell me the name of the largest city in the world."

"New York."

"Stay in during recess and write me 50 lines."

He wrote the 50 lines, and every line read: "The biggest city in the world is New York."—New York Tribune.

The Quen's Old Hats.

Nearly every member of the English royal family has some individual fancy in the matter of collections. It is said that the Yueen possesses a quaint assortment of the different styles of hats and bonnets which have been in fashion since the time of her marriage in 1863. She has made the collection from those worn by herself.

Every one may not be aware that Queen Alexandra writes a good letter, and is extremely fond of her pen. She often sends a couple of dozen autograph letters in one day to members of her numerous family and to a few especially honored friends. Her majesty uses a particular make of creamy white writing paper, with the address plainly stamped in black in one corner.

AGAINST MODERN GREEK.

Students in Athens Show Displeasure By Firing on Police.

Athens, Nov. 20.—The agitation of the university students against the proposal to translate the Gospels into modern Greek resulted during the past two days in riotous demonstrations against two newspapers which have been advocating such translations. To-day the students fired on the police. Troops were then summoned and a serious fight occurred, which resulted in the wounding of a score of cavalrymen and students. A political motive connected with the Slav propaganda in Greece underlies this religious movement.
