Nervous Debility, Varicocele and Loss of Manly Power? They Are Quickly and Forever Cured by the Grand Product of Nature, DR. Mc-LAUGHLIN'S Electric Belt. Send for My Free Book About It.

No man should be weak; no man should suffer the loss of that vital ement which renders life worth living. No man should allow himself become less a man than nature intended him; no man should suffer

to become less a man than nature intended him; no man should suffer for the sins of his youth, when there is at hand a certain cure for his weakness and loss of vitality.

Most of the pains, most of the weakness of stomach, heart, brain and nerves from which men suffer, are due to an early loss of nature's reserve power through mistakes of youth. You ned not suffer for this. You can be restored. The very element which you have lost you can get back, and you may be as happy as any man that lives.

My Electric Belt, with Special Electric Suspensory (free), will restore your power. It will give back the old vigor of youth.

I can recommend your Electric Belts to all suffering humanity. I have h d a standing adment of rheumatism and other complaints combined; it has made an entire cure of them in the little while I have used it.—John Nicholdson, Everett, N.B. This loss of your power causes Kidney Trouble, Rheumatism and Stomach Ailments: You know it's a loss of vital power and affects every organ of the body. Most of the ailments from which men suffer can be traced to it.

I have cured thousands of men who have squandered the savings of years in useless doctoring.

My Belt is easy to use: put it on when you go to bed: you feel the glowing heat from it (no sting or burn, as in old style belts), and you feel the nerves tingle with the new life flowing into them. You get up in the morning feeling like a two-year-old.

It is with pleasure I write you, thanking you for the good your Electric Belt has done for me. I suffered greatly before I used it. Now I do not suffer any pain at all. and can highly recommend the Belt to any person suffering from stomach trouble.—J. Mc-Kenzie, St. Thomas, Ont. What ails you? Write and tell me, and no matter where you are. I

think I can give you the address of some one in your town that I have cured. I've cured thousands, and every man of them is a walking advertisement for my Belt. Every man who ever used it recommends it, because it is honest. It es great work, and those whom I have cured are the more grateful be-

cause the cure costs so little.

There are many people to-day who will be only too willing to share their knowledge with you—they will tell you what my Belt has done for them; perhaps some of them your neighbors. Then the terms which I offer you leave nothing to lose. I take all the chances. All I ask—give cause the cure costs so little. me evidence of your honesty by offering me reasonable security and you can

Internal revenue was also opposed by single taxers.

It was said that strong drink caused poverty, but he thought that poverty was the cause of the drink evil, for when men were deprived of the comfort of their own home life that might be gained thru the blessings of honest taxation, they were open to temptation.
