Munyon's introduction to the people of London so short a time ago means only what it has meant in every other city where he has introduced his remedies-SUCCESS. He promised to do certain things in London, and he has iod, but with little result. During a kept his promises. He told you his visit to London I got a vial of Galley's Rheumatism Cure would cure Rheunatism, his Kidney Cure cure Kidney disease; his Dyspepsia Cure cure all stomach disorders; his Headache Cure, cure all forms of Headache, and his various other remedies cure the diseases they were prepared to cure. The testimonials—all genuine—from people in your midst, whom you may visit or write to, have proven every word that Munyon has said. Hence the confidence of the people in his remedies. Imitators may spring up and claim such, but there is only one Munyon, and his work throughout the United States and Canada in the past five years has been such as to convince every one that all he claims to do he LONDON - - - - ONT. What John H. King Says.

Mr. John H. King, 921 William street, London, Ont., Canada, says: "I suffered for many years with catarrh and kidney trouble. The kidney trouble was accompanied by severe pains across the loins. At times I could not across the loins. At times I could not stoop to pick up anything. I have used many remedies, but none gave me any permanent benefit. Finally I gave up trying to cure my trouble. Hearing so much of the wonderful cures by Munyon's Remedies, I thought I would try once more, and see if I could get re-lief. One vial gave me great relief, so much so in fact that I have felt no pain for the past week. I am using a second vial, and do not believe that I will require any more. I feel that I can truthfully recommend Munyon's Remedies."
