ST. THOMAS AGAIN SUCCUMBS. The Londons finished a brilliant week on Saturday, winning five out of six games. Four out of the five victories were achieved after the hardest kind of work and by a narrow plurality of runs. Three straights were taken from St. Thomas, and they were three of the finest ever seen on the home grounds. There was a strong undercurrent of sympathy for the Saints. They put up such a splendid and thusiasts would have been somewhat pleased to see them score at least one triumph, just to raise the spirits of the St. Thomas people. Certainly the Saints have traveled in the hardest kind of luck. They have played perhaps as well as any other team in the league, but have an unhappy knack of being a run or two behind. On Saturday the demon of ill-luck still pur- Saginaw003410002-10 12 sued them. On four occasions they Port Huron..000301000-4 8 distinguished himself for the second White. Passed balls-Boland.

The Londons again delighted their admirers by clean and snappy ball. Beale divided honors with Clark, and his delivery was handled perfectly by Bates, who proved himself a model catcher-active and vigilant. Both infield and outfield achieved some grand stand plays. As fielders, the present nine have never been excelled.

London got its lead in the first by a charity to Howell, a wild pitch, a single by Keenan, an error by Sheea a single by Ward. Until the eighth not another run was scored on either side. The Londons went out in one-two-three order. The Saints hit the ball hard but not often. In the third Clark made a triple, Howell misjudging the ball. Only one man was out, and things looked so rosy that the several scores of St. Thomas rooters in the stand began to play their May 18; Port Huron at Saginaw, May mouth organs. Reid got a charity, 20th. and both men attempted a simultaneous steal, but Clark was caught at the plate. In the sixth again Clark led off with a single, but was caught at second through stupid base-running. Martin made a double, Sheehan got first on an error, but both

men stayed on the bases. In the seventh inning, Busse singled and actually reached third through Kellackey's sacrifice and a wild pitch, but Howell gathered in two flies after beautiful runs, and St. Thomas' hopes were again dashed. In the ninth they broke the gooseegg at last, Sheehan flied out, and Humphrey singled, but was forced out by Busse's grounder. Kellackey was hit by the pitcher. Rodden knocked a hot one, which struck and glanced off Beale. Busse scored, and Kellackey died in trying to steal third. In the eighth singles by Beale and

Howell and a timely double by Jo-Jo gave London another. The score: LONDON.

Downey, the Hamilton left fielder, held the ball while two men scored, and then threw to Lowney, the Bay City captain, and another got in. and for the eightn year in succession Mr. Seagram captured her Majesty's much-coveted 50 guineas, his Bon Ino, ridden by "Tiny" Williams, being the winner. Before the race came off the betting was very light, the result being considered as foregone. The bookies offered to take 5 to 1 about the stable, but the public felt it was a gamble over an accident, and declined to mibble to any extent. Mr. Dyment's light and rather flashy-looking filly, Maritana, ran herself out in the first mile trying to beat Bon Ino, and consequently only got third, when, had she been carefully nursed by James, her jockey, who urged her all the way, she might have had the place instead of Mr. Seagram's Dalmoor. The Tar and Leading Lady had quite a battle for fourth place, but the former beat the Hendrie filly in the stretch, and Charlie Boyle, sen., wins a suit of clothes from Mr. Seagram, who was inclined to hold the sailor fellow somewhat light. The value of the plate to Mr. Seagram is \$1,022 50, and he also gets \$200 for second, Mr. Dyment taking \$100 for third.

Three of the six favorites put it safely over. Ree Mitchell was favored with a running start in the 2-year-old event. and beat the favorite, Sugden, by a half length in a hard drive.
