Assuming Eatons went off to the races, Eaton forcing a corner, which well celebrated by McDonald. Sid and Edna, playing in goal, got out and at once gave Odger a hot lead. The goal was made in a few minutes. The game was played in splendid style. Eatons forced a corner, which was cleared by Robertson to head past. Wywood Robertson desperately to equalize and the game was busy five minutes. Campbell and Buchan, however, played in a good game and won the Woods time and again. Play went round to the other end, and Burns brought the ball back to the goal, but owing out of his goal to intercept a corner, he missed, and had not McDonald been there, the goal would have easily served. The finish showed that the game was a close retirement by one goal to nil.
