We Commence Our Early Morning Delivery on Sunday

# T用区 Phone Hill. 4400

On April 1st we make a change in our time of delivery. The day delivery was well adapted to winter needs and fully demonstrated its value. But for the spring and summer, day delivery has no advantages. Therefore, with a view to rendering our customers the utmost in service, we are adopting an early delivery system. The salesmen will now deliver the milk in the cool of the morning within the shortest possible time after leaving the farms in the country. The milk will be fresher. It will be ready for you at breakfast time. No bother about not having enough left over from the night before. You will not have to keep the milk over night. We know our customers appreciate the early morning delivery. We are glad of opportunities like this of rendering satisfying service to our patrons.

The Farmers' Dairy milk comes fresh from our shareholders' farms. Is fresh and pure. Is scientifically pasteurized. It will benefit you. It will benefit your children. Order a trial bottle today.

Another woman's deputation waited upon the board for like permission for the benefit of the Royal Flying Corps, but as their plans were not yet in definite shape they were told to submit their application at a later date.

The third request for a tag day was that of the Italian Red Cross Association. The board decided to deal with this application at a later date, when it is known how many applications have been made for tag days this year.

The board refused to grant a license for the operation of motor buses until the route to be traveled is made known. Chief Grasett stated, however, that the board was disposed to grant the license.

Regarding the recent assault upon Policeman Porter, who was struck on the head with a bottle, the board could do nothing in the matter, as it was outside its jurisdiction; as was also the report made against Acting Crown Attorney Thurston for not presenting to the judge the doctor's and dentist's bills incurred by the assault.

In view of the request that police expenditures be cut, the board decided to await the report of the fity council's discussion on the estimates.

Request for a billiard license was refused, the board holding that no more licenses should be granted during the period of war.
