Bread and Flour.

Ottawa. June 15,-The monthly rethat the cost of living is still increasing. In retail prices of food the cost of a weekly family budget, including some thirty staple foods, rose from \$10.35 to \$11.82 during May. Of this increase of \$1.05, one-third occurred in meats, one-third in bread and flour, and one-quarter in potatoes. Rice, beans and sugar also obtained. and one-quarter in potatoes. Rice, beans and sugar also showed some in-

DR. REEVE—Genito-urinary, blood and skin diseases. Experience enables me Pratt and Miss White of Montrea are sisters.

ORGANIZING FARM HELP

Special to The Toronto World. Brantford, June 15 .- To assist in the organization of volunteer farm labor the various centres of the counties of Brant, Wentworth, Oxford, Haldi Cready, of the Ontario Aricultural College, at Guelph, is working under the auspices of the resources committee. Today he is in Brantford. He is act ing in conjunction with the board of trade and will arrange for action thruout the villages of this county. Budford and Scotland are already receiving his attention.

VERDICT OF ACCIDENTAL DEATH.

Special to The Toronto World. Kingston, June 15.—At an inquest held this afternoon by Coroner Dr. D. E. Mundell over the death of Thomas Wiskin, the eight-year-old boy killed by a C.N.R. engine, it was shown that heroic efforts were made by Brakeman W. J. Lee to save the lad. Lee was riding on the tender of the engine, which was backing down from the railway station to the roundhouse. At the risk of his own life the brakeman grabbed the boy and lifted him off his feet, but lost his hold and the child was crushed to death under the wheels. The jury returned a verdict of acci-

dental death, FRONTENAC POLITICAL RUMOR Special to The Toronto World.

Kingston, June 15.—There is a ru-mor in Frontenac county that Anthony Rankin is to be appointed to a government position in the near future, and that John A. Kennedy, expresident of the Frontenac Conservative Association, will be the candidate against a Liberal or Independent.

PROTEST AGAINST GRADING.

Special to The Toronto World. Woodstock, June 15.—The Oxford County Council today sent a stronglyworded resolution to the Dominion minister of agriculture protesting of the late A. M. Chapman. The office against the of high county constable was added to his duties. Mr. Nugent was last rules of the commissioner appointed year warden of the county and has to handle the export cheese. The resobeen for some years a member of the lution asks that an inspector be appointed for Western Ontario.

We Are Now Paying the Highest Prices Ever Paid for Wool.

Mr. Farmer, you can get more money for your wool by sending it direct to us.

In all probability it will come to us anyway at some time, no matter to whom you sell it.

For over thirty years we have been one of the largest buyers of wool in Canada.

This proves we always treat our customers fairly, and pay top prices.

We are now paying for wool as follows:

Unwashed fleece, fine..... 52c to 54c per lb.
Unwashed fleece, coarse.... 51c to 52c per lb.
Washed fleece, fine...... 66c to 68c per lb.
Washed fleece, coarse..... 65c to 66c per lb. Ship to-day, or write us telling how much wool you have, if washed or unwashed, and breed of sheep

clipped from.

We send your money the same day as wool is received, only deducting freight or express charges.

We will then quote you a straight price and send you shipping tags, with full instructions. John Hallam TORONTO

WHEAT FALLS ON **IMPROVED CROPS**

24 COLBOBNE STBEET, TOBONTO

Outlook for Increase in Yield of Thirty Million Bushels.

Chicago, June 15 .- Estimates that the total domestic production of wheat for 1917 would be nearly 30,000,000 bushels in excess of the government figures did a good deal today to bring about declines in the wheat market. Quotations closed steady, two to four cents net lower, with July at \$2.23 and September at \$1.96. Corn gained %c to 2%c, and oats %c to 1%c. The outcome in provisions was unchanged

to five cents lower. general that the wheat crop this season would be considerably larger than the government report had indicated. Sentiment in this respect, however, became much more pronounced after the issuance of a definite statement by a leading authority that the outlook was for a yield of 685,000,000 bushels, as against 656,000,000 suggested by the government.

Advices from other usually trustworthy sources were to the effect that the winter crop, especially, had progressed of late under highly favorable conditions, and that the quality was good.

Cold weather, likely to interfere with the best development of corn, had a bullish effect on that cereal.

Signs of export demand helped to lift oats. general that the wheat crop this season

Strength of hogs and corn upheld provisions
