Discuss Best Method of Dealing With Feeble-Minded

Children.

With a session devoted to the problem of feeble-mindedness. The settlement of the content of the content

which is proposed for the solution of the problem of the sub-normal children in Toronto. This required the co-operation of the board of education, the City of Toronto and the problem of Solution of the board of the co-operation of the co-operation

back," said Dr. Conboy, "we are not discouraged, but are going ahead to solve the problem not only for Toronto but for Ontario and Canada."

He are not civilization. Ontario rejoices that her sons have again proven worthy of the best traditions of our race. Our countario repoices that her sons have again proven worthy of the best traditions of our race. solve the problem not only for Toronto but for Ontario and Canada."

He urged the audience as teachers to see that the feeble-minded were not compelled to live unhappy, useless lives and that they were not permitted to drift into crime and immorality.

The following area on the civilization. Ontario rejoices that her sons have again proven worthy of the best traditions of our race. Our country is thrilled by the story of the great victory, which will be an immoral inspiration to noble deeds, and is assurance of final overthrow of tyranny."

The following resolution was pass-ed by the meeting with one dissenting voice: "That we express our approval of the plan proposed by Dr. Conboy for the solution of the problem of the feeble-minded in Toronto, and express the hope that pro be made for the carrying out of such a plan not only in Toronto but in other places thruout the province." During the morning sessions offi-cers were elected by the following High school principals

President, Arthur P. Grundy, Galt; secretary, George H. Reed, Toronto; councillors, J. H. Dolan, W. B. Wyndham and George F. Rogers. Kinder-garten section — President, Miss Brenton; vice-president. Miss Coady; secretary, Miss L. Williams.

That enough attention is not given to the preparation of the child to meet the requirements of occupational life and citizenship was the view of Inspector T, A. Craig of Kemptville, who opened the discussion be-fore the supervising and training section.

Parents at Fault. Inspector Stevens, discussing the sad experience of school gardens in the rural schools, stated that farmers sons were urged by their parents to gain such an education as would en able them to live without physical work. This was the cause of many youths entering professions for which they had no gifts or inclination. E. T. White of London pointed out in a paper, "Does the Public School

Meet the Public Need?' that the present demand was for an immediately practical education. The home work problems of the high school might be met, in the opinion of Principal Burt of Brantford, by more study periods in the school time table

A. Buchanan said that while Spanish was supplanting German in the schools of Great Britain and the United States it was making no progress in Canada because the depart-

fiam Prendergast of the Toronto Normai School, who claimed that the average youth was content with indefinite, inadequate and sometime inaccurate expressions. He was under no special pressure to improv his speech. The speaker advocated attention to composition and the cultivation of a desire to speak the English language in its purest

form. Principal Maurice Hutton before the classical section, said that while attention had been turned away: from the classic language by the action of the modern Greeks during the war, he was sure there would be a reaction after the war.

### TORONTO OFFICERS HOME AFTER DUTY OVERSEAS

With D.S.O. and Military Cross.

Several Toronto officers returned ne yesterday from overseas. Their arture from England, they state, s delayed for several days, owing

Lieut.-Col. C. F. Bick, who was

from the classes of normal children and place them under proper custodial care. In the smaller centres this might be done by provincial psychiatrists. He reviewed the work of the psychatric clinic of the Toronto General Hospital, where the records showed that 54 per cent, of the patients came from the immigrant classes.

Dr. Conboy's Plan.

Dr. F. J. Conboy, president of the Ontario Association for the Care of the Feeble-minded, outlined the plan which is proposed for the solution of the care of the state in the property, a \$1,000 legacy. The death, Dr. Charles D. McCulloch, a son, is to receive \$1,500, and each of his sisters, Lottie, Béatrice and Lula, \$3,000. The remainder of the estate is to be equally divided among the four children.

Flora Campbell Meen, who died intestate in Toronto on March 9, left in her will an equity of \$2,000 on a property at 38 Hendrick avenue. John and Mary Meen, husband and daughter, respectively, inherit the equity.

Corpl E. Rochereau, Son of French Consul, Arrives Today

Corp. Emmanuel Rochessas, sabilere, son of the French consul, sabilere, son of the French consul, sabilere, son of the Sabliere, will reach Toronto morning, for three weeks fur-lough. He was born in Toronto 22 years ago. At the war's outbreak he left for France, but being too young for service, it was not until February of the following year that he entered the French army, as a private. Corp. Rochereau has never been wounded, but suffered for several weeks with shell shock, an enemy high explosive bursting within five yards of him.

SUIT OVER MOTORS. Company Seeks to Recover Nearly \$500 for Repairs.

Hall Motors, Limited, began yes-terday before Judge Coatsworth in the non-jury county court a suit to recover from the F. Rogers & Co. \$490.40 for repairs on two motor trucks.

F. Rogers & Co., in their counter claim, stated they purchased these two second-hand motor trucks with the understanding that the Hall Motors, Limited, would repair them and deliver them in first-class condition. This the defendants claim was not done and resulted in much loss of time and money to the amount of \$1435.63, for which they counter claim. They further deny the debt of \$490.40, claiming that the repairs were included in the sale price of \$1898. and also want the \$800, paid on account, refunded.

STANDARD LICENSES ISSUED.

For the license year beginning on May 1, the board of license commis-sioners has granted 92 standard ligress in Canada because the department of education did not recognize it in the school curriculum. All it needed was the proper place as an optional with German in the high school curriculum.

The licenses are granted conditional Careless speech and writing of the The licenses are granted conditional upon good behavior on the part of the hotels between the present time and May 1.

MAY AFFECT LIQUOR ADS.

According to J. D. Flavelle, chairman of the Ontaior License Board, as soon as assent is given the amendment to the Ontario Temperance Act, the board will outline regulations respecting the restriction of the soliciting of liquor orders. This will probably affect newspaper advertising.

109 Pears avenue, died in the General Hospital yesterday morning from a fractured skull. Little hope was held out for his recovery from the time of his admission to the hospital.

Hediey Hull, with his brother, Rodney Hull, of the same address, and two companions, Noel Hainsworth, 20 Yarmouth road, and Leslie Cridland, 32 Wallace avenue, was riding on the west side of the road when, McCale stepped form the sidewalk and comwest side of the road when McCale stepped form the sidewalk and commenced to cross the road. The boys rang their bells, but the man apparently did not hear them. Hainsworth, Rodney Hull and Cridland managed to pass McCale, but a sudden move-ment to turn gack on McCale's part, caused Hedley Hull to collide

him, McCale was removed to the General Hospital. The body was taken to the morgue, where it is likely an inquest will be held,
The late Mr. McCale left his home

in the morning prior to the accident to do some work for the Salvation Army. After awaiting his return all night, Mrs. McCale became uneasy, and telephoned the police that her husband was missing. Investigation was made by the police, who found McCale lying injured at the hospital.

### CITY HALL NOTES

The leaving of babies outside de partmental stores by shopping mothers, was brought to the attention of the board of control yesterday by Mrs. Adele Davis, who stated that she had counted 32 babies outside one store recently. Dr. Hastings will act.

The board of control yesterday requested the city council to present a petition to the Dominion Government, urging an amendment of the Franchise Act to disfranchise Austrians, Germans and other alien ene-mies who have not been resident in Canada for 25 years.

The board of control sharply criticized the action of the "overnment in empowering the hospitals to ask an empowering the nospitals to ask an increased per diem allowance for city patients. The mayor stated that he would refuse to pay the money, but the city treasurer said he did not want an overdraft at the end of the year, and that the money should be put in the estimates, which was done. CHAIRMAN RESIGNS.

True to our promise to let you know the result of our March Campaign for Three-quarter Million Dollars, we must confess that our business fell short of the desired amount by a few hundred dollars. However, we are far from being discouraged, as we made a NEW RECORD FOR ONE MONTH'S TURNOVER-exceeding the month of March, 1916, by Thirteen Thousand Dollars—quite a notable achievement. We again thank you for our continued success, and trust we show our appreciation by these
