$6,000,000 NET

THIS LARGE amount above picking, packing, shipping and selling expenses, was received last year by the orange and grapefruit growers of Polk County.

FLORIDA

MANY OF the groves showed earnings of $500 to $1,000 an acre above all expenses. One man received a cheque for $7,200 from 300 trees; another $8,556 from 219 trees; the postmaster of one town, from a ten acre grove, received for 1918, $13,457, and for 1919, $14,678; one grove of 26 acres brought a gross return of $54,000.

Lakeland Highlands

IN THE WARM, sunny hills of Polk County, 309 feet above the sea, is the ideal location in all Florida, 3,500 acres now planted, many of the groves now bearing—for the price of a modest home in the north you can own a 10-acre grove, which in a few years will give you a comfortable income, live in the land of perpetual June and enjoy motoring, golfing, boating, bathing and fishing every day of the year.

Co-Operative Scientific Care

YOU DO NOT have to live in Florida unless you wish, nor do you require to know anything about citrus culture—a Co-operative Association of grove owners, incorporated for 50 years, will do the work better and cheaper than you can do it yourself, even if you know how.

Come and See for Yourself

COME TO Lakeland Highlands with me on January the 16th; spend a few days at our beautiful Country Club as my guest, be just as curious and skeptical as you like—if you do not think it the best investment you have ever seen—do not buy—you will have seen and enjoyed the best Florida has to offer, and will be under no obligation whatever. Call or write for full information.

STRIKE OF ENGINEERS SPREADING THRU SWEDEN

Stockholm, Jan. 9.—The strike of mechanical engineers is spreading thruout the country, 70 per cent. of the workers being idle.

Iron workers and employes in paper and wood pulp mills also threaten a general strike after January 15. The employers in these industries contemplate countering the movement with a general lockout.

NO INRUSH OF LIQUOR OCCURS IN MANITOBA

Winnipeg, Man., Jan. 9.—The expected inrush of liquor as a result of the lifting of the importation ban has not developed in Manitoba, owing to the high cost of imported fire water. Including express rates, the price is almost fifty per cent. higher than for liquor purchased at the drug store, it is stated.

Rev. J. N. McLean, chief inspector under the Manitoba temperance act, said today that from January 1 to date only 665 gallons of liquor has been imported into the province for private consumption.

LIQUOR FLOOD IN GALT
