

THE BEST APPETIZER AND TONIC KNOWN.

It will be found unrivalled for such diseases as **Fever and Ague, Intermittent and Billous Fevers, Dyspepsia, Nervous Affections, Convalescence from Exhausting Diseases, and Functional Derangement of the Stomach.**

THIS article is prepared from the pure Sulphate of Quinine, combined with fine sherry wine and choice aromatics, and is made an agreeable and pleasant invigorator to the whole system. It is a well known fact that Quinine has been acknowledged by the medical faculty for many years as the best appetizer and tonic known. And for general debility, this combination will be found superior to all other preparations.

It imparts to the stomach tone and energy, and fortifies the system against infectious diseases and exposure to change of climate. It is pleasant and contains *nothing Injurious to the Most Delicate Constitution.*

The properties of Quinine are a febrifuge tonic and anti-periodic. Small doses, frequently repeated, strengthen the pulse, increase muscular force, and invigorate the tone of the nervous system.

The peculiar operation of this medicine in **GENERAL DEBILITY**, and as an **APPETIZER**, has undergone long and close observation, and it is believed it will never fail, if properly and judiciously administered, unless other diseases predominate of a different character.

After its administration the general system becomes more or less influenced, the pulse being fuller and more rapid, and a gentle stimulus imparted to the various organs of the body.

Nervous Persons, after using it for a short time, will find their appetite improved, their spirits become more cheerful; sleepless nights, twitching of the muscles and trembling of the limbs, will all disappear, and they will feel and know that every fibre and tissue of their body is being braced and renovated.

Persons of a Weak Constitution may take it without the least difficulty, as it contains **NOTHING INJURIOUS** to the most delicate constitutions.

READ THE FOLLOWING:

MR. E. ROBINSON, Windham Centre, writes: "For about ten years I have been troubled with Headache, or Brow Ague, as some people call it, a pain across my forehead accompanied with Billousness. Have tried nearly all the medicines sold in this country, but received no relief or benefit from them. Finally I commenced using NORTHROP & LYMAN'S QUININE WINE, and before I had used six bottles I was completely cured, and I have not had an attack of it since, now nearly one year.

MESSRS. T. ELLIOTT & Co., Cookstown, write: "We are sold out of your QUININE WINE. It is very highly spoken of by our customers who have used it," etc.

MR. E. T. MULLIGAN, Toronto, writes: "In gratitude to you for what your most valuable medicine, 'QUININE WINE,' has done for my wife, I wish to express my best wish and hope that all sufferers from disease to which your medicine is adapted will not hesitate in resorting to its use. My wife having been troubled with general debility, and having no appetite or relish for her food, I procured a bottle of your QUININE WINE, and after submitting it to our family doctor, he told me he could prescribe nothing better. Thanking you for what it has accomplished, I am, etc."

MRS. JOSEPH SPENCER, Toronto, writes: "Having been a sufferer from general debility and weakness, so peculiar to persons of a nervous temperament, I was induced to try your QUININE WINE. After taking the first bottle, it had such a decided effect that my system began to rebuild, and my appetite was so much improved that I decided to continue the medicine; and I have no hesitation in saying that after I used the second bottle I was quite restored to my natural health. I feel as if I cannot find words to express my feelings to you for what your medicine has done. I have also recommended it to my friends troubled in like manner, and in every instance it has met with the same results. I wish your medicine every prosperity."

MR. A. C. VANBUSKIRK, Kingston, N. S., writes: "Send me three dozen of your QUININE WINE at once. I have only one bottle in stock. It is a wonderful medicine."

MRS. WILLIAM SHELTON, 32 Stafford St., Toronto, writes: "I beg leave to acknowledge the good I have received from the use of your most valuable medicine, QUININE WINE. For the past two or three years I have been subject to weakness and loss of appetite, and being recommended by a lady friend to try your QUININE WINE, I procured a bottle from my druggist, and it gives me the utmost pleasure in informing you that it has done me more good than what is claimed for it. I do, without hesitation, recommend it to all sufferers from like diseases."
