

Senior Mission Band Report

The Band has held weekly meetings throughout the greater part of the past year, and also monthly business meetings.

It is a matter of regret that the attendance at the meetings of the Band was not as large as in some previous years, the average being only ten, and number of members fifteen.

Those attending, however, have shown deep interest in the work, and it is encouraging to note that the amount raised for the Mission Fund shows an increase over that of many previous years, the sum of \$175 having been forwarded to the W. F. M. S.

A thank-offering meeting of a very earnest and interesting nature was held in the schoolroom on the evening of Nov. 9, when Mrs. Fletcher gave a very interesting and helpful address on the meeting of the Pan Presbyterian Council at Washington. The thank-offering amounted to \$18.50.

The annual sale of work, which was held in December, was a very successful one, the proceeds adding considerably to our contributions for missions.

As a Mission Band we feel thankful to God that He has blessed our efforts, weak and imperfect though they have been.

We are conscious of our need of more consecrated work, and pray that God will lead us to take a deeper interest in the great work of sending the Gospel tidings to those who know them not.

May we, by more prayerful and earnest endeavor, do all in our power to hasten that glorious time, "When every knee shall bow, and tongue confess that Jesus Christ is Lord."
