### Mission Fields of Niagara Conference Auxilliary.

#### ARTHUR MISSION,

Which is about twenty-eight miles in length, has eight Sabbath appointments, two of which have preaching every second Sabbath regularly, the others at least once a month. I also preach occasionally on week nights, wherever I can get a congregation. We have one local preacher, one leader, three stewards, and a recording one; five classes, and thirty-eight members; twelve were lost by removals and changes, two of whom were local preachers, and one a recording steward; but we have gained nearly as many as we have lost. I have received \$38.00 for house-rent, horse-keep, and all other demands; yet through the condescending providence of God I am not in debt. Our worthy Elder helped me in cash. We have been reproached by debt, and I would rather want one meal a day, or a shirt, than add to this evil,—*reproachful evil*. I have good health, thank God, and have been enabled to always keep my appointments, excepting twice, occasioned by flood and heavy snow. I am sorry that I have not a better report to give. Some of those who removed from us were the best subscribers, therefore our funds suffer so much.
