DISEASED IMMIGRANTS
HIDDEN IN LIFE BOATS
Members of Steamer Romanic's Crew
Believed to Have Helped Foreigners
to Dodge Inspectors.

BOSTON, July 4.—When the White Star Line steamer Romanic arrived here today from Naples, the immigration officials found 19 diseased Italian seamen in the life boats of the ship. The men had crawled under the canvas to escape observation during the inspection of the passengers, and the immigration agents suspect that the foreigners were assisted by one or more members of the steamer's crew. The case is being investigated and it is said arrests may be made tomorrow.

Following the capture of the Italian deputy Commissioner Jeremiah J. Murray fell over the canvas covering of a lifeboat and narrowly escaped being thrown overboard by several fugitives under the covering. Fugitives to their feet in an attempt to escape. All the men detained will probably be deported.

THAW STOOD ICE CREAM
FOR OTHER PRISONERS

NEW YORK, July 4.—Harry K. Thaw, under indictment for the murder of Alexander Stanford White, gave his fellow male prisoners at the Tombs a pleasant surprise today by treating them all to ice cream and cake. Thaw was talking with Rev. John A. Wade, the Episcopal clergyman, who attends to the spiritual needs of the Protestant prisoners. Thaw asked the minister if the Fourth of July was being observed in any special way in the prison.

"Well," answered the clergyman, "I've just finished a task that falls upon me every Independence day, that of supplying the women and boys with ice cream and cake." Thaw, who was unexcused for in that respect, Thaw asked him to get enough to go around, and send the bill to him. Mr. Wade did as requested, buying 46 quarts of ice cream and 20 dozen of cakes. Thaw's wife was not permitted to visit him today, the rule excluding visitors being in effect the same as on Sunday.

BROKE A RECORD THROWING
THE 56 POUND SHOT.

BOSTON, July 4.—Officials of the Cian-Na-Gael organization of Massachusetts announced tonight that Dennis Mahoney had exceeded the world's record in throwing the 56-pound weight at the annual field day of the Society in Revere today. Mahoney threw the weight, Irish style, with one hand, after an unlimited run, a distance of 38 feet 9 1/2 inches. A previous record of 38 feet 5 inches was made by J. S. Mitchell in 1903.

Just before breaking the record today, Mahoney lost control of the weight, which went into an immense crowd of onlookers, but fortunately no one was injured.

BLAZE AT RUMFORD FALLS.

RUMFORD FALLS, Me., July 4.—Fire late tonight burned a two-story wooden building on Congress street, owned by Edward A. Allen, and a stable on River street, owned by Philip Ash. The fire damaged several other buildings in the business part of the town. The loss will not exceed \$5,000 and is covered by insurance.

CHEAP BATHS.
A Japanese laundry has issued the following advertisement: "Contrary to our opposite company, we will most cleanly and carefully wash our customers with possible cheap prices, as follows: Ladies, 2 dol. per hundred; gentlemen, 1 1/2 dol. per hundred." New York Tribune.
