Washington, July 9.-The Chinese gov ernment, through Minister Wu Ting Fang, has filed a claim for indemnity to the amount of half a million dollars on account of alleged outrageous treatment of Chinese at Butte, Mont. It is charged

that some of them were killed, others lost their property and nearly all were ruined in business and many driven out. The claimants number several hundred. The outrages date back to 1886 and it is declared that the city council of Butte upheld the rioters and the boycotters; that the state court, upon appeal, de-cided, in language so unjudicial as to be itself a subject of complaint, that the city council was right.
