ANSWERS TO CORRESPONDENTS. (Continued.)

TO PROFESSIONAL KNITTERS OF SOCKS AND STOCKINGS:—We are desirous of obtaining, for publication in our various periodicals, only samples of plain and fancy socks and stockings for adults and children made by expert knitters and accompanied by correct rules or instructions for knitting them.

Only one sock or stocking of a pair need be sent, and we prefer each sample to be made of fern or any light-colored cotton or woollen yarn. Black, dark blue, yellow or red samples will be of no use to us.

Each sample must be of full size for an adult, or, if for a child, the age of the child must be given.

Golf and bicycle stockings, and also the various parts of all kinds of socks and stockings, such as heels, toes and tops, may be included in the samples sent.

We would also consider samples of plain and fancy mitts, mittens and driving gloves.

Our contributors will do us a great favor, in making these samples, if they will adhere strictly to the requirements above stated.

For such samples we will, after inspection, pay an appropriate and satisfactory price; and will also, after using them, return any samples accompanied by such a request.

No work except that sent as samples for the purpose stated will be purchased, nor can we undertake to dispose of completed work elsewhere for any contributor.

CART. B.:—For the furnishing of a reception hall see Frances Leeds' article on Interior Decoration in THE DELINEATOR for May. We would advise rugs in preference to carpet.
