

They Were a Benefit To the Whole Family

What Mrs. H. K. Hower Says of
Dodd's Kidney Pills

They Greatly Benefited Herself and
Her Little Girl and Her Husband
Says They Are the Best Medicine
He Ever Took.

Rosington, Alberta, July 5th.

(Special)—Further evidence that Dodd's have no equal as a family medicine is furnished by Mrs. H. K. Hower, wife of a well-known settler living near here. Mrs. Hower, her husband and her little girl, were all suffering from sore back and kidney troubles. Dodd's Kidney Pills proved to be the remedy they all needed.

"My husband says Dodd's Kidney Pills have done him more good than any other medicine he has ever used," Mrs. Hower states. "I, myself, was suffering greatly with my kidneys and I feel ever so much better since using Dodd's Kidney Pills. My little girl, eleven years old, was also suffering from sore back, and I gave them to her with splendid results."

Dodd's Kidney Pills cure kidney trouble. They are no cure-all, but they do cure sick kidneys, no matter where they are found or of how long standing the case is. Ask your neighbors about them.

Shall He Be Called a Slacker?

Dear Editor,—I really cannot remain quiet any longer. When the girls talk of "slackers" it makes me hot. What do they know about it? I admit that once I was inclined to call the young men in civilian clothes "slackers." But I have learned the history of several of the young men here and to my mind they are just as brave as those who go to war. One in particular has my sincere regard. He had to work his way through college, and is now teaching to pay off his debts, as well as a heavy mortgage on his home. He is the youngest of five brothers, who have all enlisted, and the idol of his old father, whose heart would break if he went. He wished to enlist at the beginning of the war, but, knowing that the burden of the debt would fall on the shoulders of his crippled sister and his old mother if he died, he has stayed at home. And shall he be called a slacker. Ten

I see by "Perpetual Motion's" letter that he would like correspondents under twenty. I am sure I should like very much to have some correspondents of about my own age (eighteen), and will answer all letters. I quite agree with "A Mere Boy" in regard to all un-khaki clad men being called slackers, as it is as imperative that we need men to sow grain as it is that we need men to fight. I will now conclude, wishing the Western Home Monthly every possible success. I'll use the nom-de-plume, "Scottie."

Pleased to Receive Letters

Dear Editor,—Seeing that some of the readers sympathize with the bachelors, and are willing to write them, I would be very pleased if someone wrote to me. I came to Canada two months before the war started, and having lived about eight miles behind the German front on

thousand times NO. Canada must have some men left, even though the women are coming to the front so nobly. And I for one will stand up for any man who is called a "slacker" until I know that he really is one. Who knows what reasons he may have for not joining? Hoping that the Western Home Monthly may long continue to give others as much pleasure as it has given me, I will sign myself, "Irish Norah."

A Stranger

Dear Editor,—This is my first letter to your most interesting paper, and I trust that it will escape the W.P.B. I have been interested in the Western Home Monthly ever since the first time I had the pleasure of reading it. I do love reading the correspondence pages, and often longed to write, but could never summon courage enough. Well, there doesn't seem to be many "Scotties" among your correspondents, so I hope you will find room enough for one. I am a stranger in this new country, as I have scarcely completed one year's sojourn in Canada. I like prairie life exceedingly well, and never long for the city, although I was brought up in it.

the North Sea coast, I have never had news from parents or relatives since. I am eighteen months up here now on the Hudson Bay, and I never receive letters; and feel lonesome all right. I like farming. If some kind reader (country girl preferred) would write me I would be very pleased (either English, French or Flemish). Address with editor. Success to magazine and readers, from "3 x 8."

Two Fair Maids

Dear Readers,—For the past few years we have derived much pleasure from your correspondence page and have often wished that we might join your merry circle. We have at last "mustered up" enough courage to write your page. We are two lonely girls in a Western city. We are between the ages of sixteen and thirty.

Muscular Rheumatism Subdued.—When one is a sufferer from muscular rheumatism he cannot do better than to have the region rubbed with Dr. Thomas' Electric Oil. There is no oil that so speedily shows its effect in subduing pain. Let the rubbing be brisk and continue until ease is secured. There is more virtue in a bottle of it than can be fully estimated.

"I FEEL LIKE A NEW BEING"

"FRUIT-A-TIVES" Brought The Joy Of
Health After Two Years' Suffering

MADAM LAPLANTE

85 St. Rose St., Montreal. April 4th. "For over two years I was sick and miserable. I suffered from constant Headaches, and had Palpitation of the Heart so badly that I feared I would die. There seemed to be a lump in my stomach and the Constipation was dreadful. I suffered from Pain in the Back and Kidney Disease."

I was treated by a physician for a year and a half and he did me no good at all. I tried "Fruit-a-tives" as a last resort. After using three boxes, I was greatly improved and twelve boxes made me well. Now I can work all day and there are no Headaches, no Palpitation, no Heart Trouble, no Constipation, no Pain or Kidney Trouble and I feel like a new being—and it was "Fruit-a-tives" that gave me back my health."
