## HERE IT IS: FIZZ

What have we here? A beer.  
Cause of destruction, source of construction  
No need to debate it. We're glad they create it  
What have we here? A beer.  
(I sip a drink and pretend to think.)

Funny thing is: Beer having-fizz.  
Bubbles and such - hiccups and much  
The more we use it  
They say we abuse it  
Funny thing is, that fizz

I look at the label - 5%  
Wonder what Mr. Oland meant?  
Concentration - not so easy  
Reiteration makes me queasy  
"Fabrication syndicate"  
Brewmeister: my pal.  
What's the other 95%

To hop or not is the question.  
Drink ye at any suggestion?  
We say we don't need it  
Beertender; Don't heed it,  
"Twist off one more for the road  
(I'm walking, honestly.)

KENNETH J. LAGERSTEIN

## FEELINGS

The stars that shine above, each one a gem  
of truth  
Hold within the power of eternal life.  
Loving you is the key to my survival  
The lasting legacy of a warm summers Eve.  
Never to be the same again without my  
heart's desire  
One night, one love, a moment shared  
a kiss never forgotten  
Tender moments of lasting joy savoured only in  
my memory
