Pop Music Poll 1980

by Gisele Marie Baxter
 Pop Music Poll 1980

We're running the pop music poll again because some of you feel that the spaces provided for your choices are too small. I hope that these new spaces are adequate. Please bring or send your completed polls to the offices of the Dalhousie Gazette, on the third floor of the Dalhousie Student Union Building, by the last week of January, 1981.

Well, here comes the end of another year. The first installment of the 1980s is almost history, and 1981 records will soon be joining 1981 automobiles on the markets. So what was worthwhile musically in 1980? You'll find out this critic's choice early in January — and your own in February, if you fill in your ballots and return them to the Gazette

offices, on the third floor of the Dalhousie Student Union Building, by the last week in January. Consider this an invitation to vote in the Dalhousie Gazette Pop Music Poll. Exercise your franchise! Anyone who reads the Gazette is eligible to vote. Fill in as many blanks as you care to, and try to keep your choices to one per blank — although if you genuinely feel one category deserves a tie vote, then by all means say so!

1. Best Album —
2. Best Artist or Group —
3. Best Female Vocalist —
4. Best Male Vocalist —

5. Best New Artist or Group (must have released a debut album in 1980) —

6. Best Rhythm and Blues/Reggae Artist or Group (because I consider this the most crucial sub-category of pop music) —

7. Best Instrumentalist (name instrument) —

8. Best Producer —

9. Best Single (must have been released as such as received radio airplay) —

10. Best Song (this can be a single or an album track; name the album if it is on one) —
