My dear Mackenzie-King,

I have just heard from the Warden of All Souls, Oxford, that the Hebdomadal Council have decided to confer an Honorary D.C.L. upon you and Smuts. He tells me that any of the following Tuesdays will suit, November 6th, 13th, 20th and 27th or December 4th. I am afraid that only the first two or three of these dates are of any use to you. The ceremony takes place at two o'clock. I would suggest your writing to the Registrar, Old Clarendon Buildings, Broad Street, Oxford, letting him know which day you can manage.

I imagine it would probably be to their convenience, and also add to the dignity of the occasion, if you and Smuts could manage the same day. In that case it would, I presume, have to be November 6th.

Yours sincerely,

The Rt. Hon. W.L. Mackenzie-King
M.P.,
