ADDRESS BY DEFENDING OFFICER IN MITIGATION OF SENTENCE

Sir,- Rfn Iannette, as his documents show, has had an excellent record since his call-up in the army on 3rd Sep 43. He is a qualified driver in track Class III. He was appointed L/Cpl in the Oxford Rifles on 15 Sep 44, and from thereon 14 Nov 44 he was promoted to acting corporal with pay. Up to this time he has had no offence in the army, and his record has been good. He has tried to enlist voluntarily in the army; and through various circumstances was not permitted to do so. He has had trouble in his family in view of his father being interned, which no doubt has made it difficult for him.
