Indian trap-lines.

Mr. Charles C. Perry,
Asst. Indian Commissioner for BC.,
Victoria, B.C.

Dear Sir:

I beg to acknowledge receipt of your letters of September 15, 1932, and 18th inst.

Owing to my absence on duty in the Peace River District, from where I returned recently, I have been unable to answer sooner, for which please accept my apologies.

Regarding the applications for registration of trap-lines from the Telegraph Creek Agency, I am very pleased to report that some fifty-six applications have been received at this Office during the last week and there is no doubt in my mind that the whole question of trap-line registration will now be speedily settled.

As stated in my letter of August 25, to Colonel Pragnell, it is necessary to submit applications as quickly as possible in order to be in a position to register the trap-lines, or take into consideration the claims of the Indians. I am glad to state that the main work is now done as stated by your Indian Agent H. Reed and am looking forward to an early issuance of Registration Certificates covering all trap-lines situated in the Telegraph Creek Area.

Thanking you for your very kind co-operation in this matter, I remain,

Yours very truly,

"T. Van Dyk"

Div'l Game Supervisor.
