Furniture Department

WE aim in this department to carry a good grade of Furniture at reasonable prices, which consists of a varied stock, such as Secretaries, Flat and Roll Top Desks, Filing Cabinets, Office Chairs and Stools, Card Trays, Stationery Racks, Typewriter Desks and Book Cases.

We are agents for the Shaw-Walker Filing Devices. How about that letter you wanted the other day and could not find, or perhaps you did find it after a long search? Remember, time is a very important factor in business to-day. Let us show you how a stack of Shaw-Walker Sectionettes will save you time and floor space.
