RIPANS

For years I had been a sufferer with chronic stomach trouble, pressure of gas and distress of my bowels. I contracted what the doctors pronounced a low type of malaria. I could not take solid food at all, and only a very little of the lightest of diet would create fever and vomiting. The druggist sent me a box of Ripans Tabules, saying he sold more Ripans than anything else for stomach trouble. I not only found relief, but believe I have been permanently cured.

At druggists
The Five-Cent packet is enough for an ordinary occasion. The family bottle, 60 cents, contains a supply for a year.
