Weight in Underwear is not Warmth.

There is more comfort and warmth in medium weight Jaeger Underwear than in heavier weights of other kinds.

In JAEGER there is no mixture, the wool is the finest and fleeciast, and the treatment without the use of dyes and chemicals leaves it in its natural state.

There is more attention to detail in making JAEGER UNDERWEAR than in any other kind made.

So far as Underwear can protect the body and ensure health JAEGER UNDERWEAR can be depended upon.
