

INVINCIBLE

Formerly Called MONARCH

WE boost "Invincible" Rubber Boots and Shoes but the biggest booster is the man who wears them. He knows they cannot be equalled for wear. He knows they last longer than any other make he ever bought. Buy your first pair of "Invincibles" and you will boost "Invincibles" to your friends. You will tell them they are the best pair of rubber boots you ever had. We know it now. You will know it too if you ask for and get "Invincibles" the next time you buy rubber boots.

"Invincibles" are Pressure Cured. The high Pressure Process alone can put into rubber the strength and resistance to stand all kinds of use and abuse in quarries and mines, on the roads in the woods or on the farm.

PEERLESS PERFECTION

Strong enough to keep your own live stock where they belong and your neighbor's out. The best way to hold neighborly friendships is to fence to prevent trespassing. This fence "locks the bars," "stays put." Made of Open Hearth steel wire—heavily galvanized

in such a thorough manner that it will not flake, chip or peel off. The wires are tough, elastic and springy and will not snap or break under sudden shocks or quick atmospheric changes. The joints are securely held with the "Peerless Lock," which will successfully withstand shocks and strains and yet it can be erected on the most hilly and uneven ground without buckling, snapping or kinking. We also build a full line of poultry fence, ornamental fence and gates. Write for our literature. Valuable information on fence construction.
