A TIME SAVER

The "Midland" Gasoline Engine

Stationary Portable Marine

How much is the time worth that your hired man or yourself spends every year taking chop to the mill?
Some farmers have saved the price of a 6-H.P. gasoline engine in two years alone, and then they have the engine for
Pumping Water, Sawing Wood, Hauling Ensilage, Running Cream Separator.

It would pay you to write us for information about these engines.
