Write to any of them or all of them if you wish, and satisfy yourself that the claims I make for my Belt are reliable. There is nothing so convincing as the word of an honest man.

They come every-day, from everywhere. There is not a town or hamlet in the country which has not cures by Dr. McLaughlin's Electric Belt.

Now, what does that mean to you, dear reader? If you are not what you ought to be, can you ask any better proof to make you try it? Is there a remedy which is as simple, as easy to use, as sure to cure and as cheap as Dr. McLaughlin's Electric Belt? We have not seen one. You must try it. It justice to yourself and to those who look to you for their future happiness, try it now. Act this minute. Such a matter ought not to be delayed.

My Belt has a wonderful influence upon tired, weak nerves. It braces and invigorates them and stirs up a great force of energy in a man.

I make the best electrical body appliance in the world, having devoted twenty years to perfecting it. I know my trade. My cures after everything else has failed are my best arguments.

Give me a man with pains in his back, a dull ache in his muscles or joints, "come and go" pains in the shoulders, chest and side, sciatica in the hip, lumbago, rheumatism or any ache or pain, and my Belt will pour the oil of life into his aching body and drive out every sign of pain. No pain can exist where my belt is worn.

If you are sceptical, all I ask is reasonable security for the price of the belt, and you can wear it on the conditions of
