Vol. I.—VII., with Portraits, Now Ready, 65 cents each.

English Men of Action

GENERAL GORDON. By Colonel Sir William Butler.

The "Spectator" says: "This is beyond all question the best of the narratives of the career of General Gordon that have yet been published."

The "Athenaeum" says:—"As a brief memorial of a career that embraced many momentous spheres of action, that included some of the principal military and colonial crises of the past fifty years, and that ended in a halo of transcendent self-immolation, Sir William Butler's volume is the best we possess."

HENRY THE FIFTH. By the Rev. A. J. Church.

The "St. James' Gazette" says:—"The incidents in Henry's life are clearly related, the account of the battle of Agincourt is masterly and the style is eminently readable."

LIVINGSTONE. By Mr. Thomas Hughes. The "Spectator" says:—"The volume is an excellent instance of miniature biography, for it gives us what we seek in such a book—a sketch of his deeds, but a picture of the man."

LORD LAWRENCE. By Sir Richard Temple. The "Leeds Mercury" says:—"The book may be commended to all who are in search of a lucid, temperate, and impressive summary of Lord Lawrence's noble and blameless career."

WELLINGTON. By Mr. George Hooper. The "Scotsman" says:—"There are few, if any, more interesting life stories in our military history than that of the great Duke, and very few lives that form a more instructive or stimulating study. The story of the great Duke's life is admirably told by Mr. Hooper."

DAMPPIER. By Mr. W. Clark Russell. The "Athenaeum" says:—"His practical knowledge of the sea enables him to describe and discuss the seafaring life of two centuries ago with intelligence and vigour. As a commentary on Dampier's 'Voyages' this little book is among the best of the many that have been published."

Rowell & Hutchison
TORONTO.
