W. FURNIVAL, Manager.

We respectfully call your attention to our new cleaning process, the only method in existence which will take out Ink Spots, Grease Spots, Paint, Coal Dust, Lamp Black, Soot and Stains out of Carpets. That carpets cleaned by this process will remain clean as long as a new carpet, has been fully tested; that it is absolutely **MOTH PROOF** and will restore the colors; that it is a disinfectant, rendering the carpets clean and healthy when sickness or disease has been in the room. We ask a candid investigation of our work. Our process of cleaning is no longer an experiment, but a demonstrated success. It raises the nap and leaves it soft like new, and restores the lustre of their original brilliancy. It covers everything and is a perfect cleaner. Drop us a card and we will be pleased to call and show samples and process.
