A HEAVY MORTGAGE.

How a prominent farmer quickly lifted it.

A mortgage has been described as an incentive to industry, a heavy mortgage, as a sure sign of ruin. The last is particularly true, for if a mortgage is allowed to run it will eat up the farm. In this connection Mr. Henry Fowler, of Huron, writes: "From my boyhood scrofula had marred me for a victim and it seemed as if it had a life mortgage on my blood. I suffered fearfully with sores, and knowing my condition I have remained a single man. Doctor after doctor prescribed for me, and finally a Toronto specialist told me bluntly that my complaint was a deep-seated, incurable, blood disease. Sarsaparilla I knew was a good blood medicine, and I sent for a bottle of the best. Dr. Todd, the druggist, sent me Scott's Sarsaparilla, and I have stuck to it. It has lifted my mortgage, for to-day I am free from those horrible sores, my eyesight is not blurred, my tongue is not furry, and I have no irritation. I look upon Scott's Sarsaparilla as a marvellous medicine when it will cure a life long disease in so short a time."

Scrofula, pimples, running sores, rheumatism and all diseases generated by poisonous humors in the blood are cured by Scott's Sarsaparilla. The kind that cures. Sold only in concentrated form at \$1 per bottle by your druggist. Dose from half to one teaspoonful.
