

Canadians, brought up as usual to the rescue, and as endeth the second lesson of the session of Ministerial duplicity and deception.

We do not perceive the name of the member for Waterloo on the division.—How is this? Is he dubious of the opinion of his constituents on the question of Retrenchment?

WATERLOO COUNTY COUNCIL.

The Third Session of the Municipal Council of the County was held here, pursuant to adjournment, on Tuesday, the 9th inst. Present: BENJAMIN THURTELL, Esq., Warden.

Messrs. Armstrong, Messrs. Hawk, " Camoron, " Honshaw, " Clarke, " Hoath, " Cockburn, " Jackson, " Cunningham, " McNab, " Donaldson, " O'Callaghan, " Ellis, " Passmore, " Ernst, " Sundry, " Fox, " Thorp, " Halliday, " Watt.

The Warden read a long address. We extract the particulars.—In compliance with the understanding in the Council at their last sitting, an adjournment had been made from the 11th June, at which date they had been appointed to meet. When lately in Toronto, he had ascertained from the Chief Superintendent of Education that the Government appointment for Common Schools in this County for the present year is £253 9s. 3d.—exceeding last year's amount by £3 14s 3d.—payment of which will be made in August.

Mr. Watt brought up a By-law to legalize the County Seal, which was afterwards adopted. Mr. Cockburn proposing his motion by some remarks respecting Mr. Cook's non-fulfillment of his contract for constructing the Guelph and Dundas Road, moved, seconded by Mr. Clarke, That as some doubts exist of the Contractors finishing the Guelph and Dundas Road by the first of August next; in the event of such being the case, this Council would recommend the Directors of said road to use all means in their power to push the road to completion, and to commence collecting Tolls as soon as practicable, the road being now in a very passable and forward state of improvement, and that a copy of this resolution be sent to the Directors of said Company. Carried.

Moved by Mr. Armstrong, seconded by Mr. Watt.—That the thanks of this Council be given to Mr. Jackson, for the valuable and efficient services rendered by him as Chairman of the Finance Committee. Carried.

The Council then adjourned till the 2nd Tuesday in December, at 2 o'clock p. m.

extent provided for in the 6th and 7th Sections of the 59 Geo. 3, cap 4—all, without doubt, reasons sufficiently sage and relevant.

The Warden read Draft of an Act to amend the Guelph and Dundas Road Act.

Messrs. Jackson, Hoath, Cameron, and Sundry, were appointed a Committee to apportion the Government Grant for Schools.

WEDNESDAY, July 10.

A petition was presented from W. D. Towell, Esq., praying the Council to defray the expenses of the deputation sent to Toronto previous to last Session of Parliament to prevent the proposed dismemberment of the District, which on the report of the Finance Committee was refused, on the ground that the deputation had been appointed independent of the Municipality.

Mr. Jackson brought up the Report of the Special Committee appointed to apportion the School Grant, which was adopted.

REPORT.

To the Municipal Council of the County of Waterloo.

The Special Committee appointed to apportion the Legislative Grant for School purposes during the current year, beg leave to submit the following division thereof, as having been made in accordance with the requirements of the Statute in that case made and provided:

TEMPERANCE SOCIETY.—The usual Monthly Meeting of the Total Abstinence Society was held on the 12th inst., when excellent addresses were delivered by the chairman (the Rev. J. Spenser) and the Rev. Mr. Griffin. The appointment of the latter gentleman to this place is hailed by the members of the Society as likely to prove

of no small advantage to the cause of Temperance in the locality. The Society anticipate the attendance of a large number of the members of Sister Societies in the adjoining Townships at their Festival on the 25th inst.

ARRIVAL OF THE HIBERNIA.

HALIFAX, July 11.

The Hibernia arrived at 6 o'clock this morning. Flour dull, unchanged prices. Prices of Corn lower, 1s 1s 6d, and yellow 2s lower.—limited stock.

The weather continues extremely favorable throughout England. At Nottingham the lace trade has improved, at Leicester good confidence was expressed as to future prospects.

The Atlantic arrived at Liverpool at 4 o'clock on Wednesday morning, and took the whole town by surprise. Her log is published, from which it appears that during the last day of her voyage she accomplished a greater distance than any other steamer afloat. On the 24th, with a head wind, she ran 319 miles in 24 hours—She was advertised to leave on the 10th inst.

ENGLAND.—The Ministry were sustained in the House of Commons, on the Greek question, by a majority of 49. Lord Palmerston is said to have made a brilliant speech in his defence. Shortly after 6 o'clock, on Thursday evening, Her Majesty was leaving the Palace when, from the midst of the crowd assembled to witness her departure, a man walked out with a walking cane, and made an assault upon Her Majesty. He struck her repeatedly; but his blows had no effect beyond the demolition of her bonnet. The Queen appeared at the Opera the same evening, when she was greeted with a most enthusiastic and loyal reception.

FRANCE.—The Bill for the increase of the President's salary has been voted and confirmed by a majority of 46. Great Societies have been arrested in Paris and the provinces, most of whom were found to be June insurrectionists. Gen. Lafayette announced to the Assembly on Monday, the conclusion of favorable negotiations with England respecting the Greek affair.

SPAIN.—The Spanish Government, it is said, is much incensed at the American Government on account of the Cuban affair.

GERMANY.—The idea of a third German Union has been formally declared, and is proposed to be carried into effect by the government of Hanover. There has been a change in the Austrian representation at Berlin, and rumours have arisen of new disputes between Russia and Austria. The Cholera has appeared at Berlin.

ROME.—The position of Rome is most unsatisfactory. A commission of Cardinals has been named to discuss the affairs of the country; and we are told that the police has been placed under the Austrian authority.

NAPLES.—At Naples a frightful accident occurred on the 13th June. A part of the Grenagies, an immense edifice used as a barrack for the troops, gave way, and fell down, involving four or five hundred persons in its ruins.

BOMBEY.—Dates have been received to the 15th May. At Bocaros upwards of 1000 persons lost their lives by the explosion of a magazine boat, loaded with upwards of 300 barrels of gunpowder. A whole fleet of 30 boats were destroyed, the bodies doing immense damage to the advices, near which the explosion took place. Town reported business as being very dull.

At Woodlands, near Guelph, on Saturday, the 13th inst., the wife of Edward E. Ward, Esq., of a daughter.

Here on the 13th instant, the wife of James Howard, of a daughter.

In Trafalgar, on the 1st inst., Mrs. Jas. Earle, of a son.
