NEWS FROM CHEN-TU.
 Extracts from a Letter Written by G. E. Hartwell to His Sister.
 How quickly time flies; more quickly it seems in China than at home. Already our little party has spent two Xmas days in this wonderful land. There is so much to do in studying the language, in preparation for morning and evening Chinese prayers, the days and months slip by with great rapidity. The vacant chair, however, reminds us of the reality of the ever onward step of time with its unexpected changes. Alas, who knows what a year will bring forth. As Christmas came on Sunday we held our usual meetings, namely, Chinese prayers at half past 8, public preaching at half past 10, catechism half past 3 and our English meeting half past 7. Monday we had our Christmas dinner, which consisted of a goose (from a Chinese garden) adorned with celery, sweet potatoes, carrots, and cabbage. A plum pudding, oranges, walnuts and Chinese confectionery were also indulged in on this festive occasion. A beautiful bouquet of flowers (from a Chinese garden) adorned the table. A goose in Chen-tu costs about 40 cents; oranges three for a cent, a bouquet of flowers 2 cents and vegetables upon the same scale. Some things in Chen-tu are very cheap while sugar, coal, milk, oil and articles not in general use are very dear. Besides the members of our own mission, there were seven foreigners present, three ladies and four gentlemen, all in one. England, United States, and Canada were represented and their respective merits were held forth in short speeches. The evening was spent in singing Xmas carols.
 New Year's day, however, was the day which will be looked back upon with special interest. In the evening a most interesting and profitable meeting was conducted by Dr. Hart. The three little ones which were sent to us to take the place of the one taken home were baptised. All the foreigners, except two adults and five children, were present. It was a pleasant picture to behold nineteen foreigners assembled in this far western heathen city. Several Chinese, whom we feel are interested in the gospel, were also invited. These were the first children baptised in Chen-tu. After this service the Lord's Supper was administered. In this far western land to see the unity that existed between the different denominations in this heathen land. Kneeling at the two long benches brought in for this occasion were five Baptists, seven of the Church of England, and six Methodists. Unitingly, they sought a blessing to rest upon the work of the year just begun. Chen-tu for Christ, I believe, is the motto of every worker, and though representatives of different denominations, are yet one in Christ. The blessing of the 133rd psalm was truly enjoyed. The Church of England has no settled work here, but have a home where newly arrived missionaries can study.

Officers Elected.
 At the meeting of the South Leeds teachers at Newboro on the 9th and 10th inst., the following officers were elected: Wm. Johnson, J. P. S. Jones, J. D. Dunn, Eliza, vice-pres.; Mr. Richmond, Newboro, sec'y-treas.; Committee: Miss Clendenning, Gananoque; Miss Rice, Plum Hollow; Mr. Linklater, Gananoque; Mr. Wilson, Delta; and Mr. Withler, Westport.
 Delta was selected as the next place of meeting.
 Our correspondent, who supplements the report published last week, says:
 We might remark for the benefit of those who were not present that we have in connection with the Institute a "Teachers' Library," and that books from this library may be obtained on application to Mr. Linklater of Gananoque.

W. C. T. U. Notes.
 The W. C. T. U. will meet in the R. T. of F. hall Friday afternoon at 8 o'clock.
 At the last meeting of the W. C. T. U. the subject of narcotics was the topic for the afternoon. A paper was read by Mrs. Mott which proved instructive to all present. It showed that much thought and study had been spent in its preparation. Miss Stone and Miss Hartwell also read two very fine letters from eminent professors of science, showing forth the evils following students using the obnoxious weed. The whole meeting was most interesting and the practice and vice of forming the habit very fully and explicitly set forth.

The portrait and sketch of Mr. David Downey published in the Reporter last week met with the warm approval of his friends and they purchased and sent extra copies of the paper all over the country.
 English Spavin Liniment removes all hard, soft or calloused Lumps and Blisters from Horses, Blood Spavin, Curbs, Splints, Ring Bone, Swollen Stiffly, Sprains, Sore and Swollen Throat, Cougls, etc. Save \$50 by use of one bottle. Warranted by J. P. Lamb.
 Rebecca Wilkinson, of Brownavally, Ind., says: "I had been in a distressed condition for three years from Nervousness, Weakness of the Stomach, Dyspepsia and Indigestion until my health was gone. I bought one bottle of South American Nervine, which does me more good than any \$50 worth of doctoring I ever did in my life. I would advise every weakly person to use this valuable and lovely remedy." A trial bottle will convince you. Warranted by J. P. Lamb.

THE CANADIAN ORDER OF FORESTERS is a Fraternal Benevolent Society, incorporated in 1879 and registered under the Insurance Corporations Act, 1892, of Ontario. The objects of the Society are to furnish its members with Sick and Funeral Benefits and an Insurance of one or two thousand dollars. The payments of these benefits range from about one dollar to one dollar and fifty cents per month, according to the age of the member, and the amount of the insurance entered. The membership is composed of men only, and when admitted they must be between the ages of eighteen and forty-five. The present number of members is over 16,000, and the Society has a cash surplus on hand for the payment of the Insurance of over \$215,000, \$50,000 of which is in Dominion of Canada Bonds, and the balance is invested in the best monetary institutions of the Dominion. In addition to this, the local Councils have about half a million of dollars in their treasuries for the payment of the Sick and Funeral Benefits. The High Secretary of the Order is Mr. Thomas White of Bradford, and it is expected that a Court of this popular and purely Canadian Society will shortly be organized here.
