Remember that when the Stomach nerves fail or weaken, Dyspepsia or Indigestion must always follow. But strengthen these same weak inside nerves with Dr. Sloop's Restorative, and then see how quickly health will again return. Weak Heart and Kidney nerves can also be strengthened with the Restorative, where Heart pains, palpitation, or Kidney weakness is found. Don't drug the Stomach, nor stimulate the Heart or Kidneys. That is wrong. Go to the cause of these ailments. Strengthen these weak inside nerves with Dr. Shoop's Restorative and get well. A simple, single test will surely tell. For sale by All Dealers.

Premier Whitney has definitely announced a change of heart in respect to model schools, and now says they are not going to be abolished. The four new buildings will be used as normal schools. But perhaps he will reconsider this proposal also.

HOCKEY AT CHARLESTON

On Saturday last the Moonfish of Charleston and the Pine Cones of Oak Leaf had a friendly contest for hockey supremacy at Charleston. The Coners hadn't seen a puck since away last fall; indeed it is related of their goalkeeper that he had to be introduced to the disc before the game in order that he might know just what he was expected to stop. The result of the game was a foregone conclusion, and though the Coners put up a determined fight the Moonfish had it very much their own way, as the score 3 to 0 in their favor testifies. Offsides were frequent, but it was otherwise a clean game.

Goal umpires—Matt Johnston and Glenn Earl.

Time Keeper—K. McClary. Referee—L. D. Willson.

Following the game, the Moonfish, with characteristic hospitality, entertained the Pine Coners to a swell Barnacide banquet, to which both victors and vanquished did ample justice.
