BRONCHIAL TROUBLES

Readily Yield to Soothing, Healing
Treatment of Hyomei.

Bronchial troubles are purely lo-
cal. They cannot be helped by sto-
mach dosing. They are caused by ir-
ritation in the air passages and can
be relieved and cured by medicated
air alone. In this lies the secret of
the great success of Hy-o-mei in the
treatment of bronchial troubles.

The Hy-o-mei medication, laden
with nature's remedies, is breathed
through the neat pocket inhaler that
comes with every outfit, reaching ev-
ery part of the bronchial tubes and
killing at once the disease germs.
It allays all irritation and heals the
inflammation of the mucous mem-
brane with astonishing rapidity.

Treatment with sprays, douches
and atomizers in bronchial troubles
is condemned by the best physicians,
as they cause further irritation.

The first breath of Hy-o-mei's me-
dicated air seems to soothe the in-
flammation, stop the cough, and thus
relief soon becomes permanent and
a cure results.

Hy-o-mei has made many remark-
able cures in the worst and most
chronic forms of bronchial troubles
and is sold by C. H. Gunn & Co.,
with the same guarantee as they give
when Hy-o-mei is purchased for their
tarrh, this is to refund the money
docten give satisfaction. The com-
plete outfit costs but \$1.00.

THREATENS MARTIAL LAW.

Violent Anti-Clerical Agitations in
Northern Italy.

Rome, Aug. 5.—The Government is
threatening to impose martial law in
a number of towns in northwestern
Italy, unless the violence in connec-
tion with the anti-clerical agitation
at once comes to an end.

At Mantua a crowd of manifestan-
tists pillaged some churches and burned
several sacred objects, and at Turin
a workman attacked and wounded a
priest in the street.

At Savona there were violent anti-
clerical manifestations, and the guard
over the prison where the Salesian
fathers from Varaz, who are charged
with immoral practices, are locked up,
was reinforced to protect them from
the mob.

The fire in St. Anthony's Church at
Spezia, set by an unruly crowd, was
extinguished and the church is now
guarded by a detachment of sailors.
The clericals charge that the free
masons are conducting a campaign
against them among the masses, and
the director-general of the Salesians
has entered suit against the newspa-
pers that published the alleged ex-
posures. He has also asked the Gov-
ernment to conduct an investigation
of these charges.

Priests Used Revolvers.

Rome, Aug. 5.—At Sampierdarena
a crowd attacked the Salesian Col-
leges with stones. Seven priests in
the building got together and replied
with revolver shots, whereupon the
mob broke down the doors and swarm-
ed inside.

The situation of the priests was
dangerous for a few moments, and
they were only rescued by the timely
arrival of troops.

Anti-clerical demonstrations were
announced for Saturday in a large
number of Italian towns.

REGAINED NERVE AND VITAL ENERGY.

From Walton, P. O., Que., comes
the following from Mr. Nazaire Be-
gin:—"If anyone had told me any
remedy could build up my nervous
system so well I would not have be-
lieved them. Before using Ferrozone
I was run down in nerve and vital
energy, and in very weak health. I
didn't get enough sleep at night, felt
poorly in the day time. Ferrozone
has filled me with energy and vim,
increased my weight and made a
new man of me."

Hundreds tell the same story—
Weak and dispirited, everything go-
ing wrong, unable to catch up. They
took Ferrozone and all was changed
to health and a reality. Price per
box 50c. at all dealers.

She was for 60 years resident in
Bellefonte, and claimed to have danced

Canada 47 years ago.
